

## Proactive Release

### Submissions on the Child and Youth Wellbeing Strategy

August 2019

The Department of the Prime Minister and Cabinet has released the following submission received during its public consultation on the child and youth wellbeing strategy.

Some of the information contained within this release is considered to not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act).

- Where this is the case, the information has been withheld, and the relevant section of the Act that would apply, has been identified.
- Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it.

#### Key to redaction codes and their reference to sections of the Act:

- **9(2)a** – Section 9(2)(a): to protect the privacy of natural persons, including deceased people.

An external party holds copyright on this material and therefore its re-use cannot be licensed by the Department of the Prime Minister and Cabinet.

---

**From:** 9(2)(a)  
**Sent:** Monday, 3 December 2018 2:21 PM  
**To:** 9(2)(a)  
**Subject:** Submission to Child and Youth Wellbeing Strategy.

9(2)(a)

Dear 9(2)(a),

Thanks to the your team I was given your contact address after having difficulty downloading a form from the website. Please find attached (a) the main submission in the form of a 'powerpoint' presentation which has grown to approx 6Mb as it includes official reports, graphs, and photos. (b) two hazard sheets for hidden toxins. The material may be a shock to many but over three years of deep research revealed the truth.

I will be in Nelson tomorrow after midday so the best way to contact me will be via mobile on 9(2)(a) if your require any more details.

Kind Regards,

9(2)(a)

# THE CHILD & YOUTH WELLBEING STRATEGY

## PREVENTING A

## **NZ CRISIS.**

---

## AND EXPOSING SOME SERIOUS MATTERS.

(**CAUTION** - SOME INFORMATION MAY BE DISTURBING TO SOME VIEWERS)

**THERE ARE MANY WELL-INTENTIONED PEOPLE WHO ARE  
SEEKING SOLUTIONS TO  
THE FUTURE WELLBEING OF NEW ZEALAND'S  
CHILDREN AND YOUTHS.**

---

**IF THE CHILDREN'S CURRENT AND FUTURE HEALTH  
IS NOT PROTECTED THEN,  
ALL TIME AND EFFORTS ARE WASTED.**

**THE CAUSE OF THE CURRENT AND FUTURE SITUATIONS  
ARE AND HAVE BEEN CREATED BY OUR GENERATIONS.**

**THIS NON-PC SUBMISSION NEEDS VIEWING TO THE VERY END.**

AFTER WATCHING  
THE DETERIORATION IN OUR  
NEW ZEALAND **HEALTH** CARE,  
**MENTAL HEALTH** SERVICES, AND  
THE SUFFERING OF YOUNG PEOPLE

**TIME IS OVERDUE**  
**TO EXPOSE SERIOUS FRAUD BEFORE**  
**THE REAL HEALTH DISASTER DEVELOPS.**

**(Learn but don't panic)**

WE HAVE **NOT** BEEN TOLD THE **TRUTH** SINCE 1953.  
SEE THE WHOLE PROBLEM – NOT JUST ONLY ONE PART.

NEW ZEALANDERS **ARE** VERY TRUSTING PEOPLE BUT, CAN ALSO BE **SO NAÏVE**.

THEY **TRUST** GOVERNMENTS AND OFFICIALS TO BE UNBIASED, TELL THE TRUTH AND FOR THEM TO DO THEIR UTMOST FOR SOCIETY NOW AND FUTURE GENERATIONS

SADLY, THERE IS GROWING NEW EVIDENCE THAT THERE ARE SOME SERIOUS MATTERS THAT HAVE STRONG INFLUENCES ON THE **HEALTH AND LIVES** OF OUR YOUNG.

THESE MATTERS ARE:

1. **CONCEALED** FROM THE PUBLIC OR **DISCREDITED** BY CERTAIN OFFICIALS.
2. **DISPLAYED** OR RECORDED WITH **MISLEADING** OR INCORRECT DATA.
3. **NOT FULLY AND WIDELY RESEARCHED** INTERNATIONALLY (WITHOUT BIAS).
4. **NOT UPDATED** AS WORLD **NEW** DEVELOPMENTS OR INFORMATION OCCURS.
5. **INFLUENCED** BY EGOS, CERTAIN BUSINESS INTERESTS, AND COMPANY GREED.

RESULTS ARE, IF WE ARE NOT TOLD TRUTHS, HOW CAN WE PROTECT OUR FAMILIES?

**THE FOLLOWING IS ONE OF THE MOST IMPORTANT MATTERS ....**

## THE DATA FOR THIS PRESENTATION IS SOURCED FROM;

- THE **WORLD HEALTH ORGANISATION (WHO)**.
- EARLY AND VARIOUS **USA REPORTS**
- THE INTERNATIONAL **NIOSH HEALTH & SAFETY** DATABASE.
- THE **UNESCO** UNIVERSAL DECLARATION – **BIOETHICS AND HUMAN RIGHTS**.
- THE WORLD'S PRESTIGIOUS '**LANCET**' MEDICAL JOURNAL.
- JOURNALS OF THE AMERICAN **DENTAL** ASSOCIATION.
- JOURNALS OF THE AMERICAN **MEDICAL** ASSOCIATION
- THE USA **HISTORY** OF FLUORIDATION FILES.
- THE **AAAS** – AMERICAN ASSOCIATION FOR ADVANCEMENT OF SCIENCE.
- Dr DEAN BURK (PhD) of **NATIONAL CANCER INSTITUTE (USA)**.
- **NFPA, DOCTORS, UNIVERSITIES, and MORE** ..... SHOWING .....

**NEW ZEALAND  
HAS BEEN  
CONNED  
AND WORSE!**

**WE ARE ALL NOW ENDURING  
A LONG RUNNING  
'OFFICIAL' FRAUD.**

# NO MATTER WHO YOU ARE

- THIS **SERIOUS** PROBLEM EFFECTS US ALL – NO MATTER YOUR STATUS, RACE, BELIEFS, YOUNG OR OLD. WE HAVE HAVE BEEN **MISLED** FOR YEARS.

IT IS EFFECTING EVERYONE'S LIFE **NOW** AND **MORE SO** AS TIME GOES BY.

- THIS PROBLEM IS MAN-MADE, BASED ON **FRAUD, IGNORANCE, AND GREED.**

# Our past **Governments** and **Dental** officials have really **failed** us.

- Govt officials have been **manipulated** by overseas '**Big Business**' and now here in NZ.
- **Both** central and local government **did not** do any proper **research** on the background of this matter or the resulting health problems that it is causing. They did not appear to have read any real chemistry book and **relied** on hearsay.
- Govt is planning to **continue this situation**, thus really **destroying young health** and **lives** through their **ignorance** (while also failing to see the whole 'Health' picture'.)

## ***'TUNNEL VISION'***

**ONE** GOVERNMENT SECTION **FOCUSED ON** THEIR DEPARTMENT'S MAIN **DENTAL HEALTH** PROBLEM BUT HAVE **CREATED** A WHOLE RANGE OF **OTHER HEALTH PROBLEMS** IN THE PROCESS.

ALTHOUGH THE INITIAL FOCUS WAS ON **CHILD** DENTAL DECAY, PROTOCOLS, AND TREATMENTS, **THE SOLUTION ADOPTED** RIGHT FROM THE START WAS **A PLANNED FRAUD** BY **USA 'INSIDERS'**.

THERE APPEARS TO BE LITTLE RECOGNITION BY **NZ OFFICIALS** FOR THE **TRUTH** BEHIND THE SITUATION AS THEY HAVE BEEN GIVEN SO MUCH **WRONG OR MISLEADING** INFORMATION FOR **SUCH A LONG TIME**.

WHAT **IS** HAPPENING **IN NZ IS NOT A REPEAT** OF WHAT **HAS HAPPENED** IN **95%** OF OTHER COUNTRIES OVERSEAS OVER THE **YEARS**.

**ALL 95% OF COUNTRIES IN THE WORLD HAVE SINCE BANNED OR REJECTED** THESE **HARMFUL** AND **TOXIC** PRACTICES.

# THIS SERIOUS PROBLEM IS UNIQUE.

- IT INVOLVES TWO PROVEN TOXIC CHEMICALS IN DIFFERENT FORMS.
- WE ARE BEING MISLED OVER THESE TOXIC CHEMICALS IN OUR COUNTRY.
- THE SOURCE, TYPE, AND QUALITY OF THE CHEMICALS HAVE CHANGED.
- THEY ARE BOTH PROMOTED AS 'HEALTH BENEFITS' BY GOVT & OFFICIALS.
- THE TOXIC 'PROMOTION' HAS BEEN RUNNING FOR MANY YEARS.
- AND IT IS NOW TO BE FORCED ON ALL PEOPLE, WITHOUT THEIR CONSENT.
- GOVERNMENT DOES HAVE MONEY SET ASIDE TO EXTEND THIS FRAUD AND PENALTIES IN PLACE FOR ORGANISATIONS WHO DO NOT OBEY.

THE TWO PROVEN TOXIC CHEMICALS ARE .....

# CHEMICALS CALLED 'FLUORIDES'.

(THERE ARE SEVERAL.)

**WE ARE EXPOSED TO THESE TWO TOXIC 'FLUORIDES' IN TWO DIFFERENT WAYS THAT BADLY EFFECT YOUNG HEALTH.**

1. ONE TOXIC FLUORIDE HAS, **QUIETLY** BEEN INCREASED IN MANY **TOOTHPASTES** AND, CAN BE ABSORBED (AT 4X THE SKIN RATE+) **DIRECTLY** INTO YOUR **BLOODSTREAM** THROUGH THE MUCOUS LINING OF YOUR MOUTH WITHOUT EVEN SWALLOWING!!!!
2. THE OTHER MORE TOXIC RAW **FLUORIDE COMPOUND** IS BEING ADDED TO OUR **WATER SUPPLIES** WHERE YOU
  - (a) **DRINK / INGEST** THIS PROVEN TOXIC FLUORIDE, VIA WATER
  - (b) **ABSORB** THIS TOXIC FLUORIDE THROUGH YOUR SKIN.

ALTHOUGH DOSES ARE IN VERY SMALL QUANTITIES, THE 'TOTAL EXPOSURE' TO THESE TOXIC FLUORIDES ARE CUMULATIVE, IN EVERYONE'S BODILY SYSTEM.

**SEE SOME PROOF  
'FLUORIDATION' IS A FRAUD -  
'FLUORIDES' REALLY ARE  
ULTRA DEADLY.**

**(SEE LATER STORAGE PHOTOS)**

**THERE IS MORE THAN ONE TOXIC 'FLUORIDE'  
INVOLVED**

**WHY DO THEY TALK OF LOW DOSAGES ?= BECAUSE, NZ FLUORIDES ARE  
HIGHLY TOXIC.**

**THEY DON'T TALK ABOUT OUR 'EXPOSURE' TO BOTH TOXIC FLUORIDES,  
AND THAT THEY ARE CUMULATIVE IN OUR BODIES.**

**FORGET ABOUT KID'S DENTAL HEALTH  
FOR A MOMENT –**

**THERE IS A MUCH BIGGER DANGER  
FOR THEM AND US ALL -**

**WE AND OUR CHILDREN ARE BEING  
VERY SLOWLY **POISONED.****

**(BODY, BRAIN, ORGANS, AND BONES!)**

**WHY WAS 'FLUORIDATION' EVER STARTED IN THE  
FIRST PLACE?**

**WHY WAS 'FLUORIDE' CHOSEN AS THE PRODUCT  
AND NOT SOMETHING ELSE?**

**HISTORY FACTS PROVIDE AN ANSWER.**

**IN USA 'BIG BUSINESS' HAD A HUGE PROBLEM.**

**BUT**

**IF THEY COULD 'CON' PEOPLE INTO BELIEVING  
THEY WERE PROVIDING A 'HEALTH BENEFIT',  
THEY WOULD BE HAPPY & 'SUCCESSFUL'.**

# **THIS BIG 'FRAUD' STARTED IN USA!**

THERE WAS A **MASSIVE** AMOUNT OF **TOXIC WASTE**

BEING PRODUCED AS AMERICA DEVELOPED THE  
ATOMIC BOMB FOR **DEFENCE** PURPOSES.

(The 'Manhattan Project' at Los Alamos, New Mexico  
- Hiroshima and Nagasaki bombed 1945)

THE **AMERICAN GOVERNMENT** BACKED THESE  
INDUSTRIES **BUT** THERE WERE SOME **'UNUSUAL  
ACTIVITIES'** THAT WENT ON **BEHIND** THE SCENES.

**INDUSTRY** ALSO **HIRED** **'THE BEST IN THE FIELD'** OF  
PUBLICITY AND HUMAN RELATIONS **'PR EXPERTS'**  
TO ACHIEVE **THEIR** **'PLAN'** – WHY?

## SOME EARLY **HIDDEN TRUTHS** EXPOSED:

Within the now **declassified** files of the Manhattan Project and the Atomic Energy Commission, Christopher Bryson found that the **toxicology department** at the University of Rochester -- which was under **the direction** of **Mr Harold Hodge** (**co-orchestrator** of the **Human Radiation Injections Experiment!**) who was asked to **produce** medical information about **fluoride** that could help **defend** the government against **lawsuits** where they were charged with **fluoride pollution**.

One such **declassified** correspondence from the Atomic Energy Commission (**dated October 8, 1947**), reads:

***“Information which would invite or tend to encourage claims against the Atomic Energy Commission or its contractors, such as portions of articles to be published should be **reworded or deleted.**” (The start of the coverup!)***

It is now clear that **if** water **fluoridation** were **declared** harmful to human health, the U.S. nuclear bomb program, as well as many other **fluoride-polluting industries** such as aluminium plants and fertilizer manufacturers, would have been left open to **massive litigation**.

## **MORE DATA ON THE NOW EXPOSED HAROLD HODGE:**

HAROLD  
HODGE

**Harold Hodge was the nation's leading, **most trusted** scientist and he declared fluoride **was safe** at 1 ppm - **but knew otherwise**. **Everyone just believed him.** (It was **never** challenged back in 1940s.)**

**As it turns out, Hodge was also the chief toxicologist for the Manhattan Project** and was responsible for evaluating the **toxicity** of **chemicals** used in the production of the atomic bomb. He **did do chemical tests** on **hospital patients**. One of the **massive** amounts of **chemicals** used to produce the bomb-grade **uranium and plutonium** for these nuclear weapons, was **fluoride** – **which became their massive toxic waste problem**.

### **TOXIC WASTE ANNOUNCED HEALTHY! – **SCIENCE PAID FOR BY POLLUTERS!****

- The Aluminium Company of America (ALCOA)
- The Aluminium Company of Canada
- The American Petroleum Institute DuPont
- Kaiser Aluminium
- Reynolds Metals
- U.S. Steel.

**The Kettering Report** was also **funded** by the **National Institute of Dental Research**, to offset **fluoride litigation cases** and add to the '**feeling**' of safety.

# THIS BIG 'FRAUD' STARTED IN USA!

- Their aluminium industry had a industrial site **problem disposing** of their massive **toxic waste**. (e.g. same as in NZ in 2017)
- Their **toxic waste** was very **expensive** to **legally dispose** of (even back in 1945) due to **USA laws**. They **were** also being **sued** by **many** downwind farms and neighbours – trees and **toothless** cattle, **dying** over **hundreds** of acres.
- **Bureaucrats** hatched a **really** clever '**plan**' to **fraudulently sell** this **waste** to local cities and towns as a 'health benefit' and '**took advantage**' of the USA country's **poor dental care** situation **at that time**.
- With the new '**POWER**' of **very heavy** TV & 'sales pitches' (**without tests or proof**) they, (the '**PR**' team) convinced nearly all USA councils to **buy** their products as the new **dental care solutions** – **thus disposing of their TOXIC Fluoride waste!**

(Their old '**CREST**' toothpaste adverts (with a young **Bill Cosby**) can still be seen on the internet – Search for '**Fluoride: Poison on tap**' – well worth viewing. )

# JUST ONE CAUSE ..... OF USA'S **POOR** DENTAL SITUATION 1944

Source: Coco Cola **History** Website.

( **Sugar-laden** drinks e.g. **Coco-Cola** had been selling for over 40 years by **1944**.)

- 1886 – Dr John Pemberton (Injured Army Colonel makes first **Coco Cola** drink – (Kola nut and cocaine) to solve his injury **morphine** addiction.
- 1886 – First Soda Fountain dispenser installed in Atlanta, Georgia.
- 1900 – Just 14 years later **2,763 Bottling Plants** now operating.
- 1903 - Cocaine removed and **more** addictive **sugar** was added.
- 1904 – **One million gallons** of the sugar syrup now sold annually.
- 1923 – Six-packs of bottles comes onto market to also boost sales.
- **1945** – '**Fluoridation**' commenced in USA to 'solve' the USA country's **now poor dental situation**  
**(BUT, the 'sugar flow' was allowed to continue !)**
- 1950 – Over **10 million gallons** of 'pop' sold annually.
- 1957 – Aluminium **cans** introduced (35 grams or **8+ teaspoons**) of sugar **each**).
- 1965 – Vending machines introduced.
- 1970 – **20oz** Plastic bottles of Coco Cola introduced(**80 grams(20tsps)** sugar **each**).

**Today** – **One billion** drinks are ingested in America **per day** = **Health drops!**

# AND THEN THERE IS OTHERS LIKE 'PEPSI'

## PepsiCo's Beginnings

PepsiCo, Inc. was established through the merger of Pepsi-Cola and Frito-Lay. Pepsi-Cola was created in the late **1890s** by Caleb Bradham, a New Bern, N.C. pharmacist. Frito-Lay, Inc. was formed by the 1961 merger of the Frito Company, founded by Elmer Doolin in 1932, and the H. W. Lay Company, founded by Herman W. Lay, also in **1932**. Herman Lay, former chairman and CEO of Frito-Lay, was chairman of the board of directors of the new company;

**Pepsi-Cola** introduces a new, modern looking logo, still featuring the red, white, and blue color scheme adopted in **1943**.

Donald M. Kendall, former president and CEO of Pepsi-Cola, was president and chief executive officer. The new company reports **SALES of \$510 MILLION** and has **19,000 employees**.

**Major products** of the new companies are:

**Pepsi-Cola Company:** **Pepsi-Cola** (formulated in 1898), **Mountain Dew** (introduced by Tip Corporation in 1948), and **Diet Pepsi** (1964).

(Note: **PEPSI** acquired **Pizza Hut** in 1977, **KFC** in 1986, **NZ Bluebird Chips** in 2004, and **Starbucks** in 2011.)

**ALL THEIR HEAVILY SUGAR-ADDED DRINKS ARE ALSO CONSUMED LOCALLY IN NZ.**

(A **University of Maryland** study also found the **new energy drinks** to be **11 percent more corrosive** to your teeth than regular sodas.)

**SOME TIME LATER, AN EXTRACT FOUND FROM AN EARLY USA REPORT:**

Francis Frary

MR FRANCIS FRARY, CHIEF SCIENTIST WITH THE ALUMINIUM COMPANY – **ALCOA**, HAD DEVISED '**A PLAN**' (FRAUDULENT) TO SOLVE THEIR **TOXIC WASTE DISPOSAL PROBLEM.**

Gerald J Cox

*HE COMMISSIONED GERALD COX AT THE MELLON INSTITUTE, TO CONDUCT RESEARCH REGARDING THE BENEFITS OF ADDING FLUORIDE TO THE WATER SUPPLY. THE MELLON INSTITUTE WAS FREQUENTLY HIRED BY BIG BUSINESS TO PRODUCE RESEARCH THAT SUPPORTED THEIR INDUSTRIES, AND FOR SEVERAL DECADES THEY PRODUCED RESEARCH SHOWING THAT ASBESTOS WAS SAFE AND DID NOT CAUSE CANCER.*

*THEY ALSO PRODUCED REPORTS ASSURING EVERYONE THAT FLUORIDE WAS NOT TOXIC AND WOULD BE BENEFICIAL TO ADD TO OUR DRINKING WATER FOR HEALTHY TEETH. [3]*

# BUT, - PROOF - TWO ITEMS THEY **KNEW** EVEN BACK THEN BEFORE THEIR **BIG FRAUD BEGAN!**

The **Medical Consensus on Fluoride** Prior to 1945

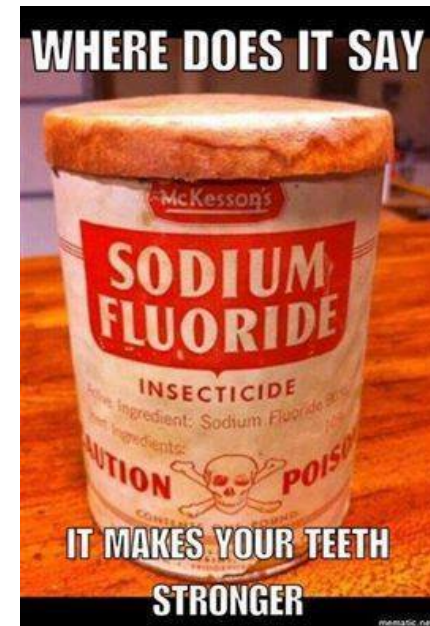

## Item 1.

For example, a 1936 issue of the '*Journal of the American Dental Association*' stated that **fluoride** at the 1 ppm (part per million) concentration is as **toxic** as arsenic and lead.

Prior to 1945 when communal water fluoridation took effect, **fluoride** was a known toxin.

They were using it in both their rat baits and cockroach control insecticides.

(Plus in Military Nerve Gas – Sarin)

## **MORE PROOF - Item 2.**

(A) The 'Journal of the **American Medical Association**' stated in their **September 18, 1943** issue, that **fluorides** are general protoplasmic **poisons** that change the permeability of the cell membrane by certain enzymes.

(B) And, an editorial published in the **Journal of the American Dental Association**, **October 1, 1944**, stated:

"Drinking water containing as little as 1.2 ppm **fluoride** will cause **developmental disturbances**. We cannot run the risk of producing such **serious systemic disturbances**. The potentialities for **harm outweigh** those for good."

THIS WAS ALSO **BEFORE** THEIR BIG FLUORIDE '**FRAUD**' **STARTED**  
AND ALL DATA WAS **COMPLETELY IGNORED** BY '**BIG BUSINESS**'.

## TWO **IMPORTANT** NOTES.

### IMPORTANT Note 1.

**Internationally, 95% of countries have banned fluoridation because of both **health concerns** and because of **human rights** considerations.**

These countries also **include** Japan, Scotland, Northern Ireland, China, Russia, Germany, Netherlands, Norway, Israel, Sweden, Austria, Belgium, Denmark, Finland, France, Croatia, Estonia, Greece, Hungary, Latvia, Switzerland, Luxembourg and the Czech Republic.

(DATA – A **TRUTH** NEVER DIVULGED BY NZ MINISTRY OF HEALTH ON WEBSITE, ETC)

## Important Note 2.

Notably the practice of **fluoridating** water supplies also appears to **breach** the **UNESCO Universal Declaration on Bioethics and Human Rights (Art.3 & 8)** (2005), to which **NZ is a signatory** (along with around **160** other countries) and in particular,

**Article 6** which **states that -**

*"in **no case** should a collective agreement or the consent of a community leader or **other authority**, substitute for an individual's informed consent".*

***NZ Govt activity and **current proposal** -  
HAZARDOUS, Blatantly unethical! **ILLEGAL?**  
Health destroying? Yes – Proof now available.***

THE TOXIC CHEMICALS ARE CALLED – ‘**FLUORIDE**’ - ADDED TO  
SOME NZ LOCAL WATER SUPPLIES.

**BUT**, HERE IS ONLY A PART-LIST OF SOME OF THE **WISER** NATIONS.

WESTERN EUROPE – **97% REJECTED IT, BANNED OR STOPPED** FLUORIDATION.

CHINA – **BANNED IT** – NOT ALLOWED – (BUT NOW SELLS A VERSION TO USA)!!!!

AUSTRIA – **REJECTED IT** - NOT ADDED.

BELGIUM – **REJECTED IT** – THOSE WANTING IT, TO GET IT THEMSELVES.

DENMARK – **AGAINST** FLUORIDATION.

FINLAND – **STOPPED IT** – NO ADEQUATE STUDIES.

GERMANY – **STOPPED** - NO EVIDENCE OF A BENEFIT.

HUNGARY – **STOPPED** – REMAINS UNFLUORIDATED,

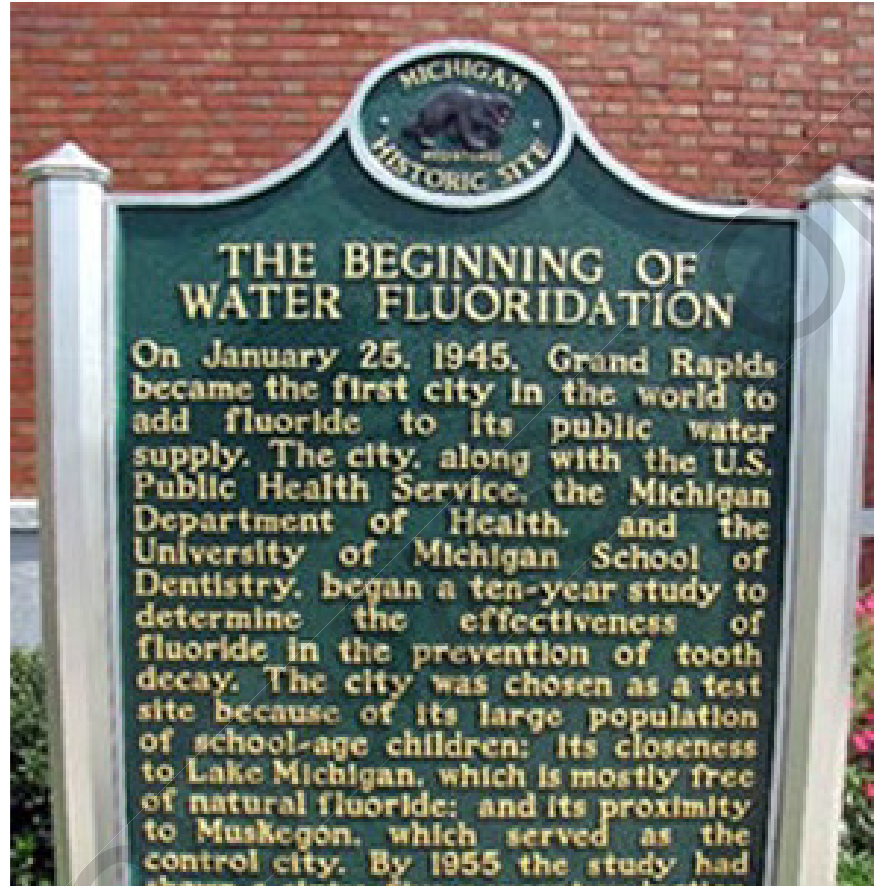

JAPAN – **REJECTED** – MAY CAUSE HEALTH PROBLEMS.

(THINK OF ALL THESE EDUCATED **MULTI-MILLIONS** OF **WISER** PEOPLE.)

**FACT 1: ONLY 5% OF THE WORLD IS STILL USING OUTDATED **FLUORIDATION** AND  
OVER 50% OF THOSE PEOPLE **WITH** FLUORIDATED WATER, LIVE IN AMERICA!**

**FACT 2: NZ GOVT CLAIM **FLUORIDE** IS NOT A MEDICINE AS PER NZ  
REGS. 1984 (58b)and Medicines Amendment Reg. 2015  
( but THEY are adding it to prevent a dental disease !!!! )**

## THE ACTUAL FRAUD BEGAN.

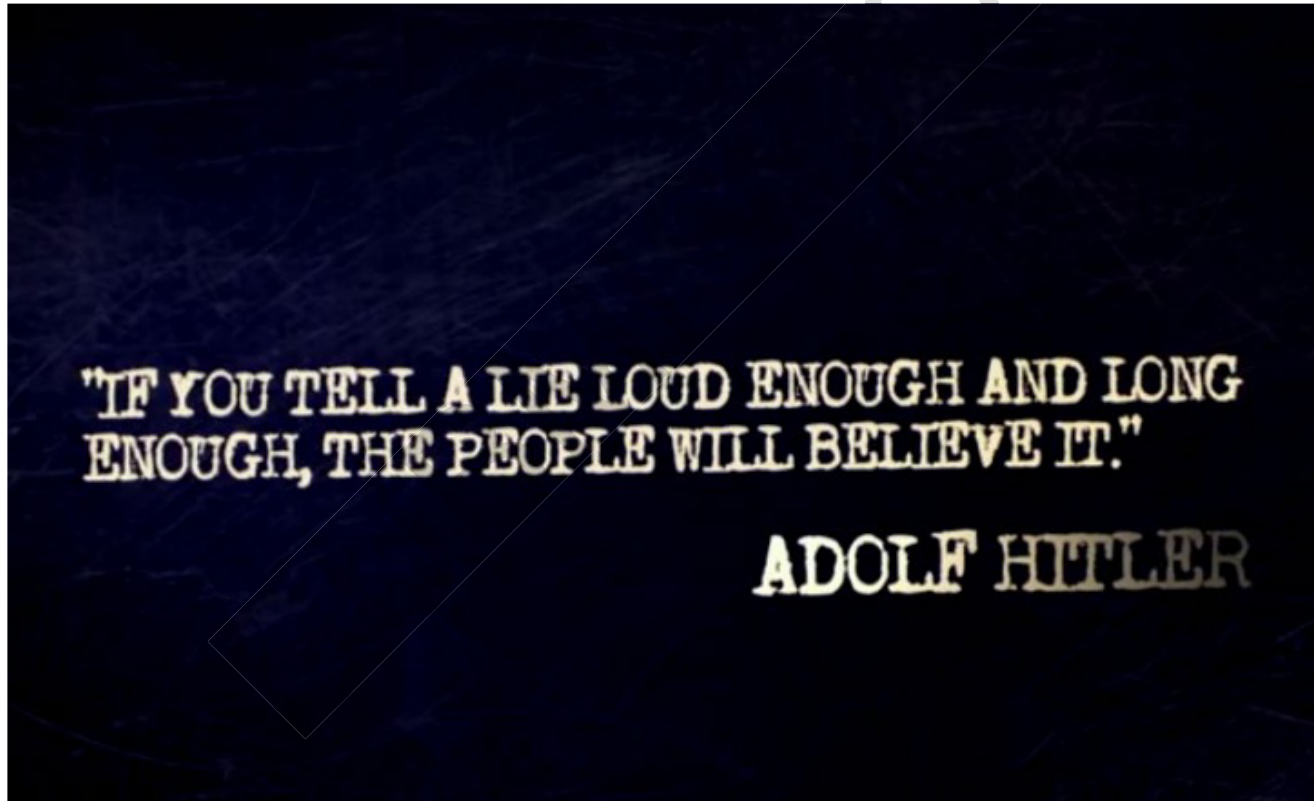

GRAND RAPIDS, MICHIGAN, WAS THE FIRST U.S.A. CITY TO FLUORIDATE – 1945.

PEOPLE BELIEVED IN WHAT THEY WERE TOLD REPEATEDLY IN THE FLUORIDE PROMOTIONS ON THEIR THEN NEW BLACK & WHITE TVs.

THE **NZ** DENTAL ASSOCIATION, THE **NZ** HEALTH DEPARTMENT,  
AND **OTHER** OFFICIALS WE TRUSTED  
HAVE BEEN TELLING US FLUORIDE IS **SAFE**  
AND **THEY** RECOMMEND IT.

(All without even truly **identifying** which 'fluoride' they are talking about!)

( HE ALSO BELIEVED IN 'BRAINWASHING' AND DID '**MASS MEDICATION**' OF PEOPLE.)  
(See later notes.)

## **HISTORY OF NEW ZEALAND'S FLUORIDATION INTRODUCTION:**

- **March 1952** Parliament approved first **trial** installation for a **10 year experiment** in Hastings and Havelock North designed to test in these two towns a method of improving the teeth by adding minute amounts of fluoride to the water supply.” **A condition of the approval** was that the experiment be confined to the two mentioned towns, strongly implying **no** further fluoridation “experiments” **for ten years. (These Tests were never completed.)**
- **March 1954** (approximately) The addition of fluoride to Hastings water started according to an HD letter. **However**, a letter from Mr J Ferris Fuller (JFF) to Dr Arnold 16/7/54) stated that figures for fluoride levels in Hastings water had been received regularly for 12 months by the HD – this would put fluoridation **commencement** at **July 1953**. Four samples taken during 1949 and 1950 found an average level of fluoride of **0.04** ppm. **However**, great **consternation** was caused when a sample of **0.96 ppm** was found on **5/7/51** (pre-fluoridation) – more on this interesting point later.
- **During 1955-58**, Dr John Colquhoun, an **ardent** fluoridation **supporter**, was a Glen Eden borough councilor and persuaded the Mayor and his **fellow councilors** to agree to fluoridation of the water supply. This was **in spite of** the assurances in the previous paragraph. Meanwhile fluoridation proceeded throughout NZ until about 60% of the population was fluoridated. Most of this was achieved **without** any thought of **democratically getting the approval of the population. (and all inside the ten years!!)**  
**However, .....**

- Before starting his 1980 world tour, John, as Principal Dental Officer for Auckland, decided to look at **dental statistics** for his own district. He **was horrified** to find that **fewer** fillings were required for children in the non-fluoridated areas. On his **world tour** he found the **same situation** and was **told** that as more information became available the benefits of fluoride would become apparent. He was **promised** the new information as it became available. John later wrote to his previous hosts for the information but it was **not** forthcoming. He asked the **Health Ministry** for **nationwide statistics** and was given them **but** told to - keep them confidential – they were similar to his previous information.
- Dr Colquhoun was too principled to advocate for fluoridation with this knowledge and told his superiors he could not comply with their orders. From then on John advocated against fluoridation. He became treasurer and editor of Fluoride, the journal of the **International Society for Fluoride Research**, the only body **exclusively researching** this subject. In collaboration with Dr Robert Mann, their paper, “The Hastings Fluoridation Experiment: Science or Swindle?”, was published in The Ecologist in 1986. Dr Colquhoun had also obtained **Health Ministry documents** under the **Freedom of Information Act**. These showed **clearly** that the dental nurses were **ordered to stop fillings** according to their normal practice – they were **only to fill teeth** if the caries had penetrated to the dentine. **Naturally**, there were **many fewer fillings** which the result **was**, claimed as due to fluoridation. Many more papers were also published in **peer-reviewed** scientific journals on the subject of fluoride. (‘Another part of the **overall FRAUD**’?)

# WHAT MOST PEOPLE DON'T REALIZE -

There are **three** 'Fluoride' types involved

IN **SUPPOSED** 'DENTAL CARE' AND **ALL ARE TOXIC** TO HUMANS.

1. **Sodium fluoride** (NaF) - A man-made **aluminium waste** still used in many **toothpastes** and for **their** test result 'switched' data. (Hazard Ref. U.N.1690)
2. **Sodium silicofluoride** (Na<sub>2</sub>SiF<sub>6</sub>) - Used in **U.S.A.** in water as the base of **their** **early** fluoridation. (Ref.U.N.2674)
3. \* **Hydrofluorosilic acid** (F<sub>2</sub>H<sub>2</sub>Si) – Used currently and added to **our** **NZ** water supplies. (Hazard Ref. U.N.1778)

\*This **3rd** 'Fluoride' is also **NOT** a **natural** fluoride, **nor** a clean pharmaceutical grade fluoride. **Instead**, the **NZ** 'fluoride' is a substituted chemical **fluoride compound** – a '**most toxic**' **waste product** (man-made) from **phosphate fertilizer** plants.

## FLUORIDE TYPES:

'NATURAL' FLUORIDE OFFICIALS FREQUENTLY TALK ABOUT BUT, IT IS NOT USED OR 'ADDED' INTO NZ WATER FOR DENTAL CARE.

THE THREE 'FLUORIDES' INVOLVED, HAVE DIFFERENT CHARACTERISTICS OR HAZARDS.

### EXAMPLES:

- THEIR SOURCE LOCATION DIFFERS **AND** THEY ARE 'MAN-MADE'.
- FLUORIDE TOXICITY VARIES WIDELY – 'NATURAL' IS THE LOWEST. (but NZ's fluoride (Hydrofluorosilic Acid) is the highest (85 times).
- THEIR HUMAN EXPOSURE / ABSORPTION RATES VARY WIDELY.

PART OF THEIR 'CON' WAS TO TALK ABOUT AND RUN TESTS ON A LESS TOXIC ONE, THEN SUPPLY ANOTHER – THE MOST TOXIC ONE THEY WANTED RID OF !

# MAIN FLUORIDE FACTS

(NOT SEEN BY THOSE WITH 'TUNNEL VISION')

- THE 'SUBSTITUTE' FLUORIDE IN OUR NZ FLUORIDATION IS A **MAN-MADE** SUBSTANCE FROM **FERTILIZER FACTORY TOXIC WASTE**.
- IT **DOESN'T** JUST EFFECT TEETH **ONLY**, IT EFFECTS **OTHER** ORGANS – BRAIN, BONES, THYROID, ETC., WHEN **INGESTED VIA WATER**.
- IT IS **EXTREMELY TOXIC** AS INTERNATIONAL OFFICIAL DATA SHOWS.
- IT REQUIRES **EXTREME** SAFETY PROCEDURES FOR ITS STORAGE AND TRANSPORT.

**NZ EMERGENCY SERVICES** USE AN **INTERNATIONAL DATABASE** OF **CHEMICAL SAFETY PROCEDURES** TO COPE IN EMERGENCIES.

# THE NFPA SAFETY DIAMOND

(NATIONAL FIRE PROTECTION ASSN.)

(AS DISPLAYED ON CHEMICAL SITES.)

USED **INTERNATIONALLY** FOR EMERGENCY RESPONSES.

A **NUMBER** IN EACH COLOURED DIAMOND RELATES TO THE **HAZARD** OF THE CHEMICAL INVOLVED.

**FLUORIDE** WILL HAVE THE **HAZARD NUMBER 3 OR 4**

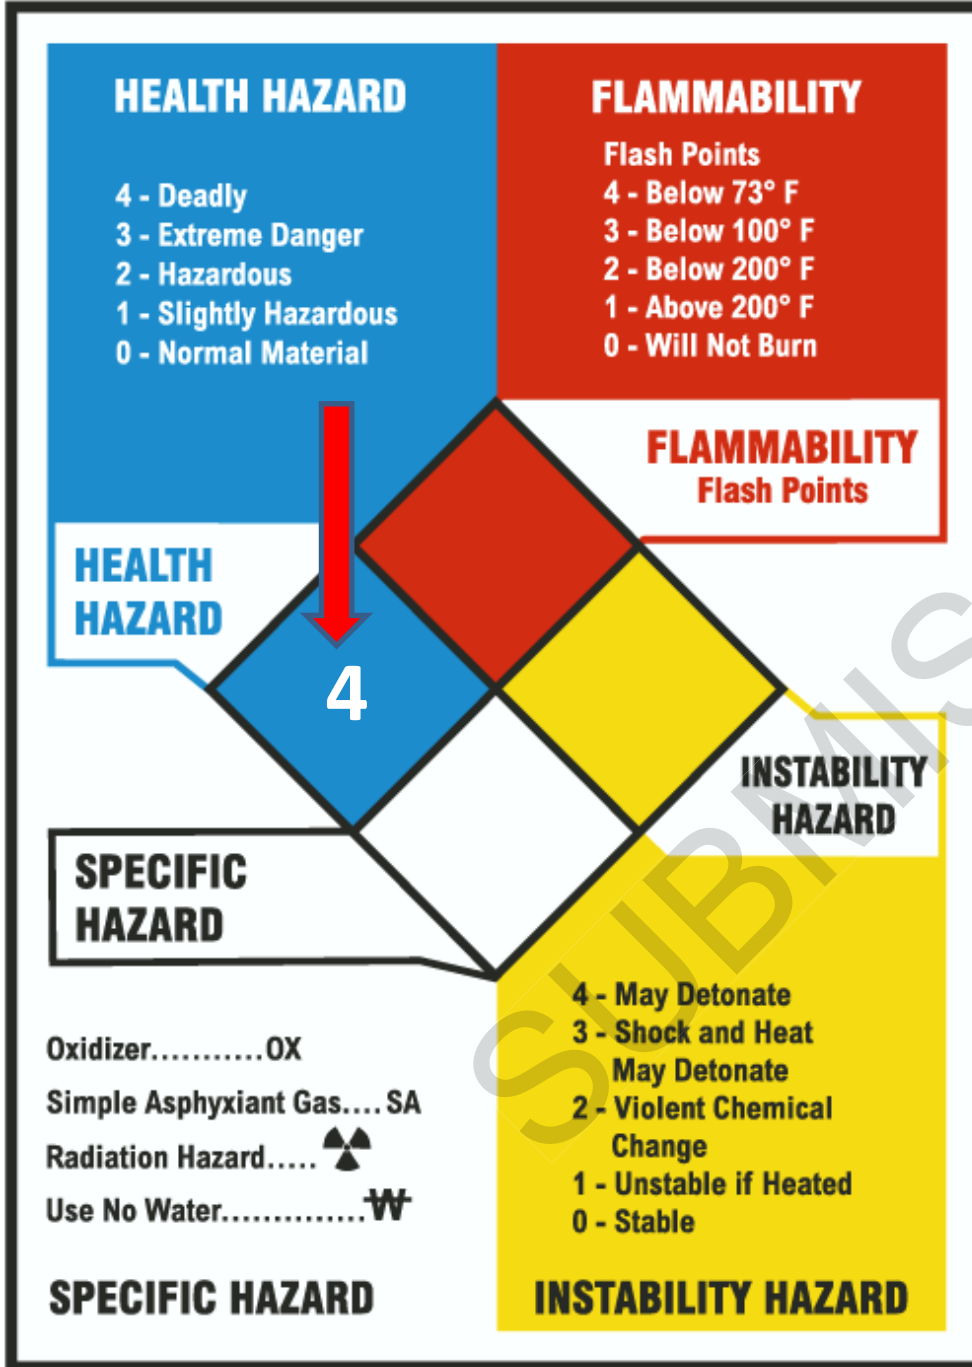

IN THE HEALTH **BLUE** SECTOR INDICATING THE LEVEL OF THE **HEALTH HAZARD**.

**4 = DEADLY**

**3 = EXTREME DANGER.**

AND WHO SAID **FLUORIDE** IS SAFE???

(All Part of the big FRAUD!)

ALL CHEMICALS HAVE AN OFFICIAL HEALTH HAZARD RATING SIGN.

STORED OR BULK **FLUORIDES** HAVE THE NUMBER 3 OR 4 RATING.

← AS SHOWN IN PHOTO'S 4 COLOURED DIAMONDS OF **HAZARD DATA**.

Rating	Warning
4	Very short exposure could cause death or serious residual injury even though prompt medical attention was given.
3	Short exposure could cause serious temporary or residual injury even though prompt medical attention was given.
2	Intense or continued exposure could cause temporary incapacitation or possible residual injury unless prompt medical attention is given.
1	Exposure could cause irritation but only minor residual injury even if no treatment is given.
0	Exposure under fire conditions would offer no hazard beyond that of ordinary combustible materials.

# THE NIOSH INTERNATIONAL SAFETY CHEMCARD: (National Institute of Occupational Safety & Health)

FOR '**FLUORIDE**' (HYDROFLUOROSILIC ACID) – AS ADDED IN NZ.

EACH CHEMICAL IS GIVEN AN **IDENTIFICATION NUMBER** TO ASSIST IN EMERGENCIES.

THESE ARE OFTEN IN THE FORM OF AN U.N. NUMBER – **NZ's FLUORIDE IS U.N. 1778**.

ON THE **FLUORIDE CHEMCARD** IS LISTED NZ FLUORIDE'S **HAZARD** DATA AS:

- EXPOSURE – **AVOID ALL CONTACT**. (Full chemical suits & CA Breathing sets required.)
- FIRST AID & FIREFIGHTING – In **ALL** cases **consult a doctor**.
- ROUTES OF EXPOSURE – Can **also** be **adsorbed** into the body by inhalation or **ingestion**.
- EFFECTS OF SHORT TERM EXPOSURE – The **effects** may be **delayed**.
- EFFECTS ON LONG TERM EXPOSURE – The substance may have effects on **bones** **and teeth** resulting in fluorosis.

**PLUS**

**AN ENVIRONMENTAL WARNING!**

ON **PAGE TWO** OF THE  
NATIONAL INSTITUTE OF OCCUPATIONAL HEALTH & SAFETY  
**NIOSH CHEMICAL SAFETY CARD**

**DO NOT ALLOW FLUORIDE TO  
ENTER THE ENVIRONMENT.**

**WHERE DOES ALL THE **1,000+** TONS OF **FLUORIDE****

**(Over 250 x 4 Ton Truckloads +)**

**ADDED INTO OUR WATER SUPPLIES IN NZ GO TO,  
AND WHAT ELSE IS IT EFFECTING IN NATURE ?**

**INTO US, FOOD CROPS, SEA LIFE, ANIMALS, PETS,  
ETC?**

# MEDSAFE (NZ)

**No antidote** for fluoride toxicity exists, and fluoride **does not** absorb to activated charcoal (as in any water filters).

Treatment includes gastric aspiration (stomach juice diagnostics), lavage (**stomach pumping**) and correction of electrolyte abnormalities.

## **MORE REAL PROBLEMS:**

You also **cannot** get rid of **Fluoride** just by 'boiling' your water. You **cannot** easily **filter** **Fluoride** **out** of your supply, even if you **want** to, and especially while it is **still** being added.

# WHAT ARE **FLUORIDE'S** MAIN **DANGERS**?

- THE **EFFECTS** ARE CUMULATIVE IN YOUR BODY – IT WORSENS AS YOU GROW OLDER – FROM PRE-BORN, ONWARDS.
- IT SLOWLY EFFECTS YOUNG BRAINS AND **MENTAL** CAPABILITIES.
- IT EFFECTS YOUR **THYROID** – THE **GLAND** THAT CONTROLS THE FUNCTION OF MANY OF YOUR BODY'S **ORGANS**.
- IT **DETERIORATES** YOUR BONES SLOWLY.
- IT **EFFECTS** YOUR **LIVER** AND YOUR **BLOOD PRESSURE**.
- NEW STUDIES ALSO LINK IT TO CANCER INCREASES.
- IT INCREASES THE 'FREE RADICALS' IN OUR BODIES - (MORE DISEASE)

## **Free radical damage** - A **TRUE THREAT** TO OUR HEALTH TODAY.

**The Harvard School of Public Health** states that:

“ [**Free radicals**] are capable of damaging cells and genetic material... **Free radical damage can** change the instructions coded in a strand of DNA. It can make a circulating low-density lipoprotein (LDL, sometimes called bad cholesterol) molecule more likely to get trapped in an artery wall. Or it can alter a cell's membrane, changing the flow of what enters the cell and what leaves it.

**Free radicals** contribute to **chronic diseases** from **cancer** to heart disease and **Alzheimer's** disease to vision loss.

# WE SHOULD LEARN FROM U.S.A. !!!

IT IS THE WORLD'S MOST FLUORIDATED COUNTRY

BUT AS IN 2016 .....

According to an estimate by endocrinologists, **more than 40 percent** of the U.S. population are **now** affected on some level by **low thyroid function**, also known as **hypothyroidism**. This condition is actually an autoimmune disease, which also makes over **80 percent** of conventional **pharmaceutical** treatments (**pills**) **ineffective**.

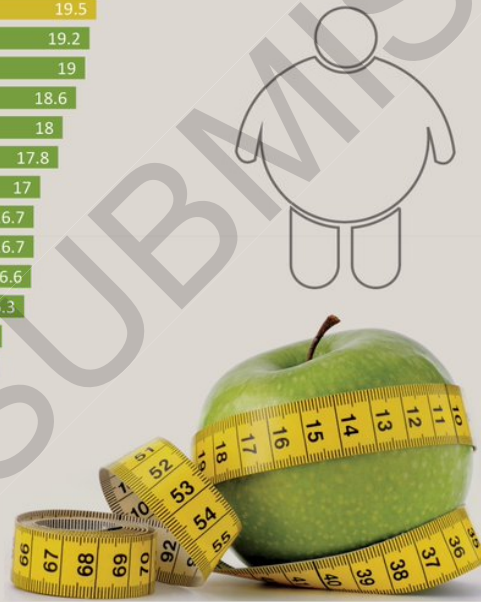

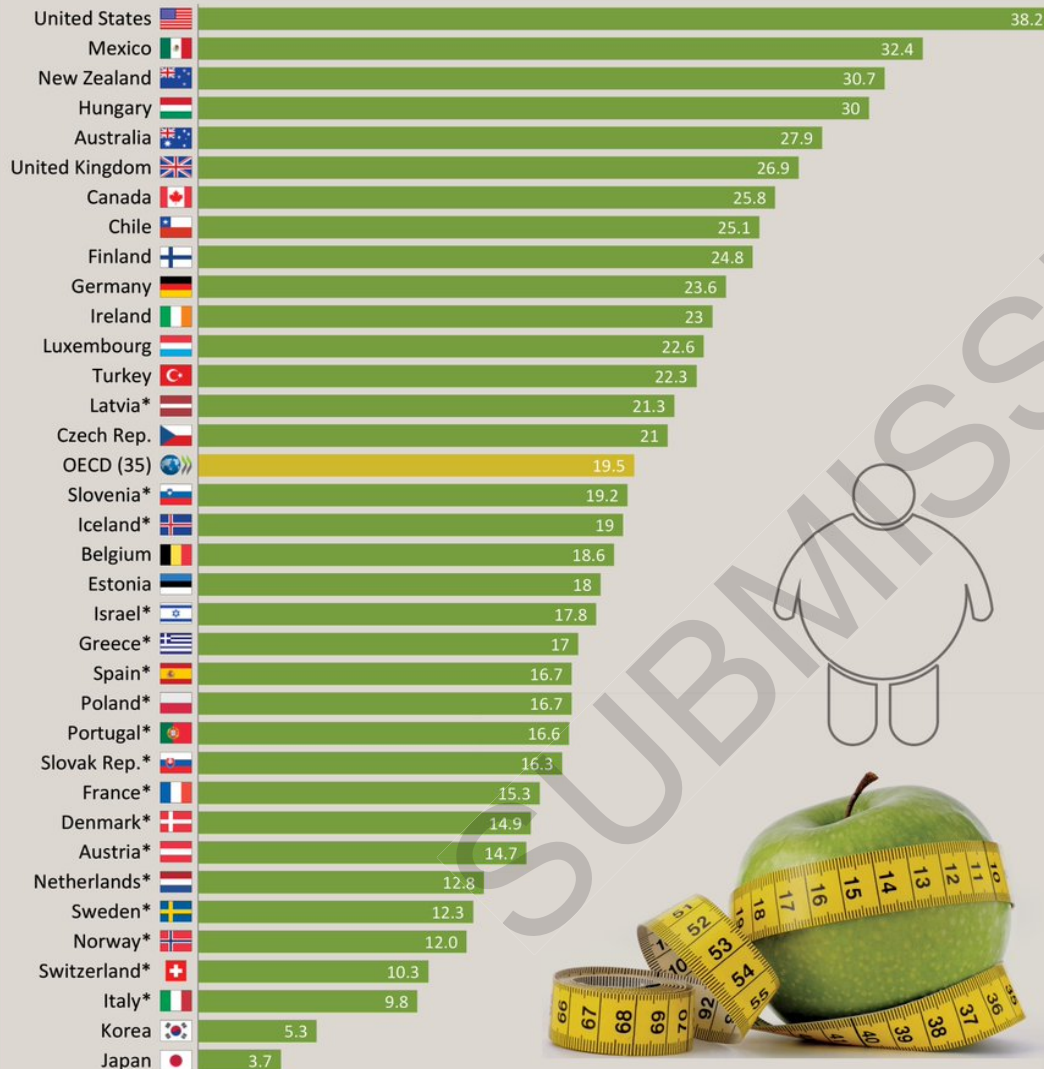

**Also** worth noting is the fact that between 1975 and 1996 the incidence of **thyroid cancer** has risen **42.1 percent** in the **fluoridated** U.S.A.

**FACT:** Thyroid hormones are necessary for **normal health and cellular activity**, but **if** thyroid **function** is **not** normal, **weight loss** is also next to impossible – **obesity**.

Are we seeing **NZ** citizens **suffering** the same **problems**?

# Obesity rates

As % of total adult population (aged 15 years and over), 2015 or nearest year

Note: \* means that self-reported height and weight data are used in these countries, while measured data in other countries.

Source: OECD (2017), OECD Health Statistics 2017 (Forthcoming in June 2017).

[www.oecd.org/health/obesity-update.htm](http://www.oecd.org/health/obesity-update.htm)

## ANOTHER 2017 SHOCK!

NEW ZEALAND  
IS NOW THE  
**3<sup>RD</sup> MOST OBESE**  
COUNTRY IN THE WORLD.  
(children included)

THE **MOST OBESE** COUNTRY  
IS U.S.A.  
WHICH IS ALSO THE **MOST**  
**FLUORIDATED** COUNTRY  
IN THE WORLD.

ISN'T THAT TELLING US  
SOMETHING?

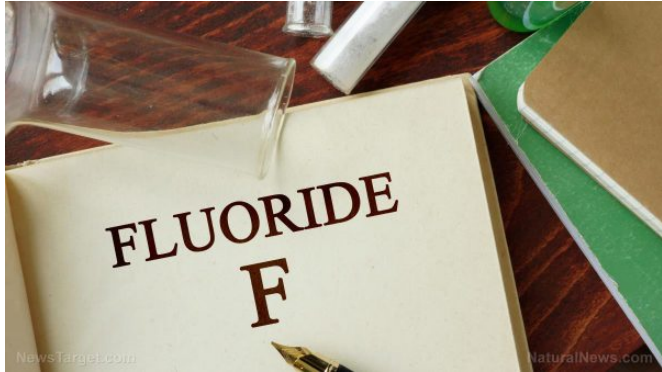

IF YOUR **THYROID** AND **LIVER**  
IS HARMED – YOUR **HEALTH**  
SUFFERS.

AND **HEALTH CARE COSTS**  
**DO** SKYROCKET.

# PINEAL GLAND – ANOTHER HIDDEN DANGER.

Here's another dangerous effect of **fluoride**: It literally turns your pineal gland to stone.

Natural News) April 11, 2018 by: [Isabelle Z.](#)

You might not hear much about the **pineal gland**, but that **doesn't mean** this part of your body is unimportant.

In fact, it is **so essential** to your overall well-being that it is sometimes referred to as the "seat of the soul". This pea-sized gland is found between the two hemispheres of your **brain**, but it's **not protected** by the blood-brain barrier, which makes it **very vulnerable to toxins**.

Just what can happen if your pineal gland **calcifies**? According to medical literature, it has been associated with **diseases** such as **Alzheimer's**, Insomnia, **Parkinson's**, Bipolar disorder, Schizophrenia, **sleep disorders**, hormone imbalances, **circadian dysregulation** and **stroke**.

# **WHY USA & NZ should also avoid fluoride.**

**Fluoride** is **now** being increasingly used in **prescription drugs**, our water supply, and dental toothpaste products.

Also, **Drug companies** have found that 'fluoride' (one which is derived from **fluorine**) has unique properties that are ideal for **prolonging the active presence of a drug in the body.**

**BUT**, While the **Drug companies** may **think** fluoride is magnifying the effects of the drug, it's also **magnifying** the **amount and intensity** of the drug's **side effects.**

**One** trouble is that **fluoride** binds **magnesium** and turns it into an **insoluble** mineral. The bond is so tight that magnesium is **completely lost** to the body – results are not good!

**Magnesium** is your body's **key** anti-inflammatory. The **Lack of magnesium**, increases your chances of **abnormal Cancer cell** growth... **Type 2 Diabetes**... **clogged** arteries... **Dementia.... Alzheimer's..** chronic fatigue... **chronic pain**, and digestive problems.

# 'FLUORIDE'

(IS NOT FDA APPROVED)

- **DIFFERENT TYPES** CAN BE SUPPLIED **BUT ALL** ARE STILL **FOREIGN (TOXIC)** TO ANY HUMAN BODY AND ARE A REAL HEALTH RISK.
- THE **QUALITY** OF THE '**FLUORIDE**' SUPPLIED ALSO **VARIABLES** (especially if from **China** – as in the Invercargill City, NZ, 1990 incident.)
- THE **DOSAGE** YOU GET, **CANNOT** BE CONTROLLED AS **YOUR LIFE'S 'EXPOSURE'** TO '**FLUORIDE**' CAN DIFFER **WIDELY** – (WATER CONSUMED, SKIN ABSORPTION, PROCESSED FOOD EATEN, ETC).

(It takes only **0.03%** of 'Fluoride' **to effect** a body's functions!)

('Journal of Epidemiology & Community Health' – Research Group.)

**NEW reports on this long water fluoridation 'FRAUD'.**

## **OUR 'Fluoride' Was Switched !!!**

(Switched from toxic aluminium waste to a more toxic acid from fertilizer factory waste.)

They talk about one but supply another. **Their tests and reports** are **NOT** based on the one we are supplied.

**NZ's Fluoride (Hydrofluorosilic acid )** is one of the **most reactive** chemicals known to man. Its **toxicity** is rather well known in chemical circles. It will eat through metal and plastic pipes, and corrode stainless steel and other materials. It will dissolve rubber tires and melt concrete. This is what **they** 'drip feed' into your **NZ** water – all in **their** name of saving some children from **dental** cavities! (but **ignoring** the **damage** to **everyone's** other organs.)

# AN **OVEREXPOSURE** EXAMPLE:

A 1991 review by the:

## U.S. Department of Health and Human Services

shows just **how excessive** your **overexposure** might be when taking **multiple sources** into account. Fluoride **exposure** levels for a **110-pound adult** from food, beverages, toothpaste, and mouthwash.

Fluoride Concentration in Drinking Water	Total Fluoride Intake	Percentage <u>Over 1 mg</u> "Optimal" Dosage
Unfluoridated Communities Under 0.3 mg/L	0.88 – 2.20 mg/day	As much as 120%
 "Optimally" Fluoridated <b>0.7-1.2</b> mg/L	<b>1.58 - 6.60</b> mg/day	as much as <b><u>560 %</u></b>
Fluoridated communities > 2.0 mg/L	2.10 - 7.05 mg/day	possible > 605 %

Although you may not know it, you **are** exposed to fluoride from **many** sources **other than** the oblivious line up of toothpastes and mouth rinses. (**Plus** via water).

# HOW IS YOUR INNOCENT FAMILY'S 'EXPOSURE'?

Once it has been **added** into our water supply **TOXIC FLUORIDE** can then  
be slowly **ABSORBED** via everything **involving WATER**:

- **DRINKING** – your coffee, tea, some bottled water, cordials, etc.  
(On hot days or thirsty athletes, be aware!) Tea can also contain a fluoride.
- **INGESTION** – from processed **food**, – watered food crops /plants, cooking, and in the **processing** of many foods, **daily**.
- **SKIN CONTACT** – **some toiletries, toothpaste, and bathing** – showering, baths, pool swimming and even in sea swimming - which mostly has a fluoride average of **1.3 ppm**.
- **WASHED items** – **contact** with bed linen, clothing, per sweat etc- over time.

**PLUS** - WE **ARE** BEING **DENIED** A HUMAN RIGHT TO CLEAN **TOXIN-FREE** WATER!

# MORE THAN 'DENTAL HEALTH' NOW INVOLVED

**Many assume** that use of **fluoridated** toothpaste and **fluoride-added** water is an issue that relates **only** to your **dental** health. **But**, according to a new **500-page scientific review** by the **National Research Council of USA** in 2006, **fluoride** **is** also an **'endocrine disruptor'** that can affect your bones, brain, thyroid gland, pineal gland and even your blood sugar levels.

(Were we in NZ ever told?)

At least **34 human studies** and **100 animal studies** have also linked fluoride to brain damage, including **lower IQ** in **children**, and studies have shown that **fluoride toxicity** **can** lead to a **wide variety** of health **problems**.

(That what NZ is currently suffering from?)

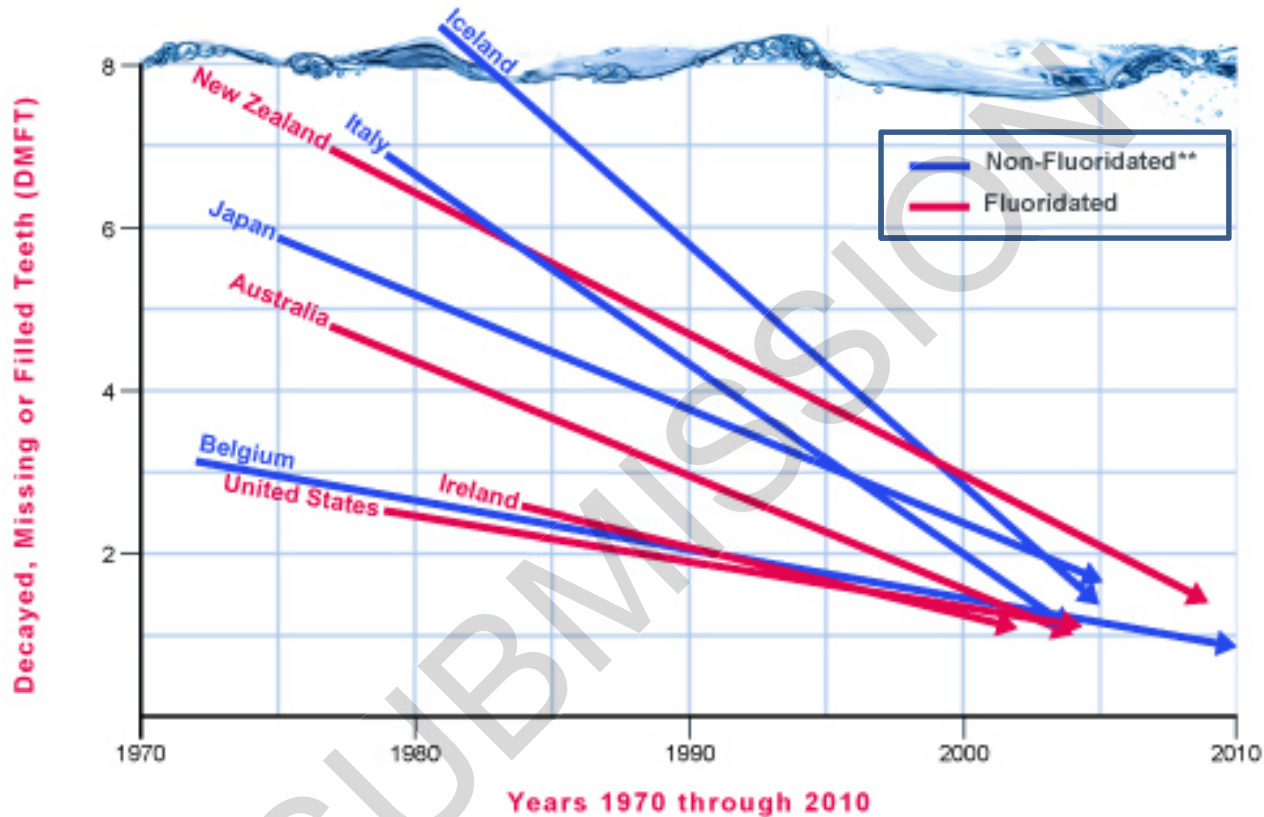

# WHAT ARE OUR HEALTH RISKS?

- **FLUORIDE** is slowly **CUMULATIVE** AS TIME PASSES!
- **THYROID** gland **damage** – this gland **controls** your body's functions and organs and **many** people **are** having **massive** problems. **Hospitals and medical services** **are** becoming **overloaded**! Tired Staff! Appointments can take weeks!
- **CANCER INCREASE** – this **fluoride toxin** **adds** to those **toxins** already causing skin and other **cancers**.
- **BONES & JOINTS** – your bones **denied** normal nutrients – leads to decay, deformity, collapse, or **surgery**.
- **NEW dental** research also shows **Fluoride** provides **NO** real benefits, (see next graphs) and there are **better, safer,** natural dental care alternatives **available** here in **NZ**.

## Tooth Decay Trends in Fluoridated and Non-Fluoridated Countries

WHO data on DMFT in 12 year olds\* (World Health Org.)

\* World Health Organization (WHO). Collaborating Centre for Education, Training, and Research in Oral Health, Malmö University, Sweden. <http://www.mah.se/CAPP/> (accessed June 10, 2012).

\*\* No water or salt fluoridation.

JUST SOME OF THE OFFICIAL PROOF FLUORIDE IN WATER IS OF LITTLE OR NO BENEFIT WHEN COMPARING COUNTRIES.

## A NZ SURVEY RESULT

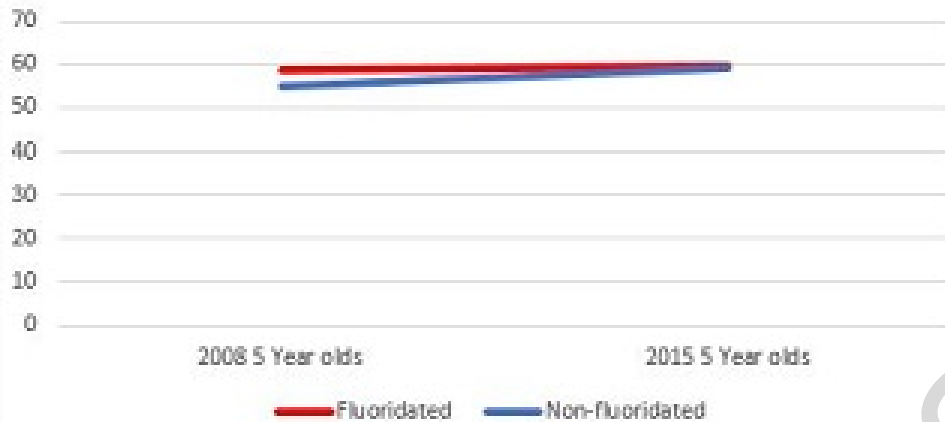

Survey 2012 – 2014		REALITY CHECK IN TARANAKI, NZ		Anaesthetic Oral Surgeries
Location	<b>Surgery Ops</b>	Populations	Children (Aged 5)	Per Centage Having General Anaesthetic Surgery
HAWERA <b>(Fluoridated)</b>	<b>34</b>	11,600	208	<b>16.35%</b>
NEW PLYMOUTH <b>(Non Fluoridated)</b>	<b>7</b>	74,100	800	<b>00.88%</b>

**FLUORIDE** HAS BEEN TOUTED BY **NZ OFFICIALS** AS THE SOLUTION TO ALL **DENTAL** PROBLEMS.

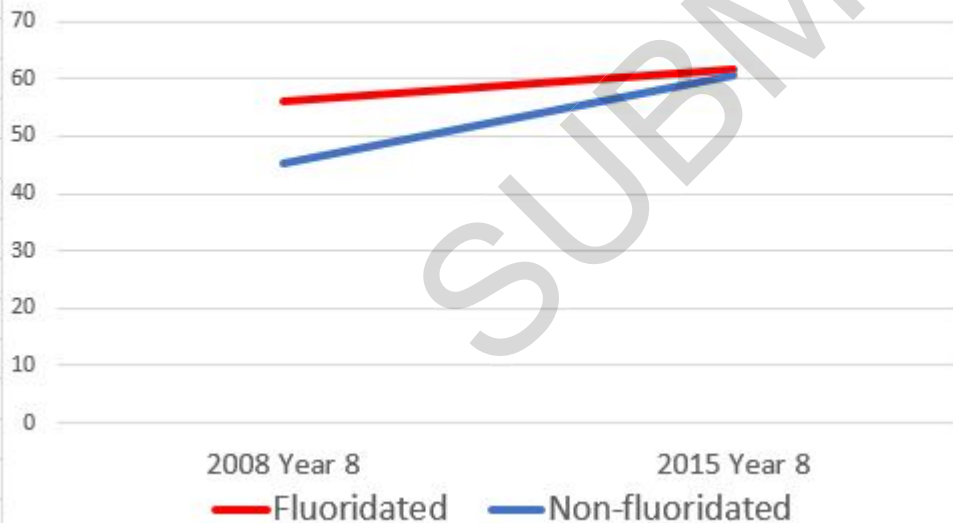

THE **ABOVE** TYPE OF RESULTS ARE **NEVER PUBLICISED** ALONG WITH THE **HEALTH** PROBLEMS **CREATED**,

**SUCH AS**, CHILDREN'S **IQ LEVEL** LOWERING, AND BRAIN DISEASES – AUTISM, ADHD, DEPRESSION, ETC.

Percentage of 5 Year old children with no dental decay 2008 to 2015

Percentage Year 8 children No dental decay from 2008 to 2015

**LATEST SURVEY RESULTS  
IN NEW ZEALAND  
2015**

**COMPARING  
DENTAL BENEFITS TO TEETH**

**IN FLUORIDATED AREAS**

**COMPARED WITH**

**NON-FLUORIDATED AREAS.**

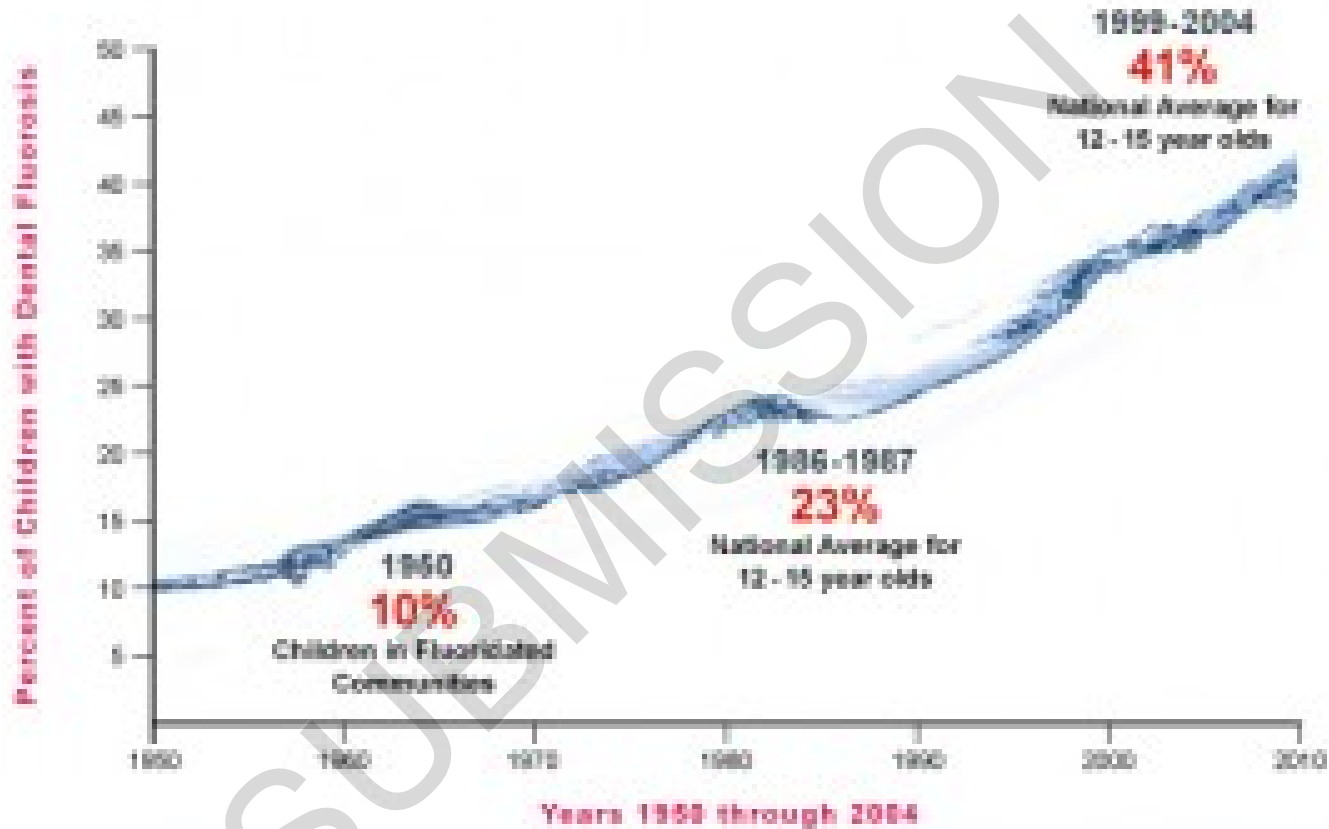

**THE OUTCOME RESULT IS**

**NO BENEFIT.**

**OTHER DAMAGE .....**

## Dental Fluorosis Rates in the United States: 1950 through 2004

Beitzel ED, et al. (2010). Prevalence and Severity of Dental Fluorosis in the United States, 1999-2004. NCHS Data Brief No. 53. Figure 3.

National Research Council. (1993). Health Effects of Iodized Fluoride. National Academy Press, Washington DC. p. 4-5.

**DENTAL FLUOROSIS RATES AND DENTAL PROBLEMS ARE STILL CLIMBING.**

**VISUAL** DENTAL INDICATIONS OF **EXCESS FLUORIDE**  
ACCUMULATION IN **TEETH** (a body's **only 'exposed'** human bones).

"Very Mild"

"Mild"

"Moderate"

"Severe"

*Above: Stages of **Dental Fluorosis (Poisoning)***

*Image credit: FAN (FluorideAlert.org)*

**BUT INTERNALLY IT GETS WORSE .....**

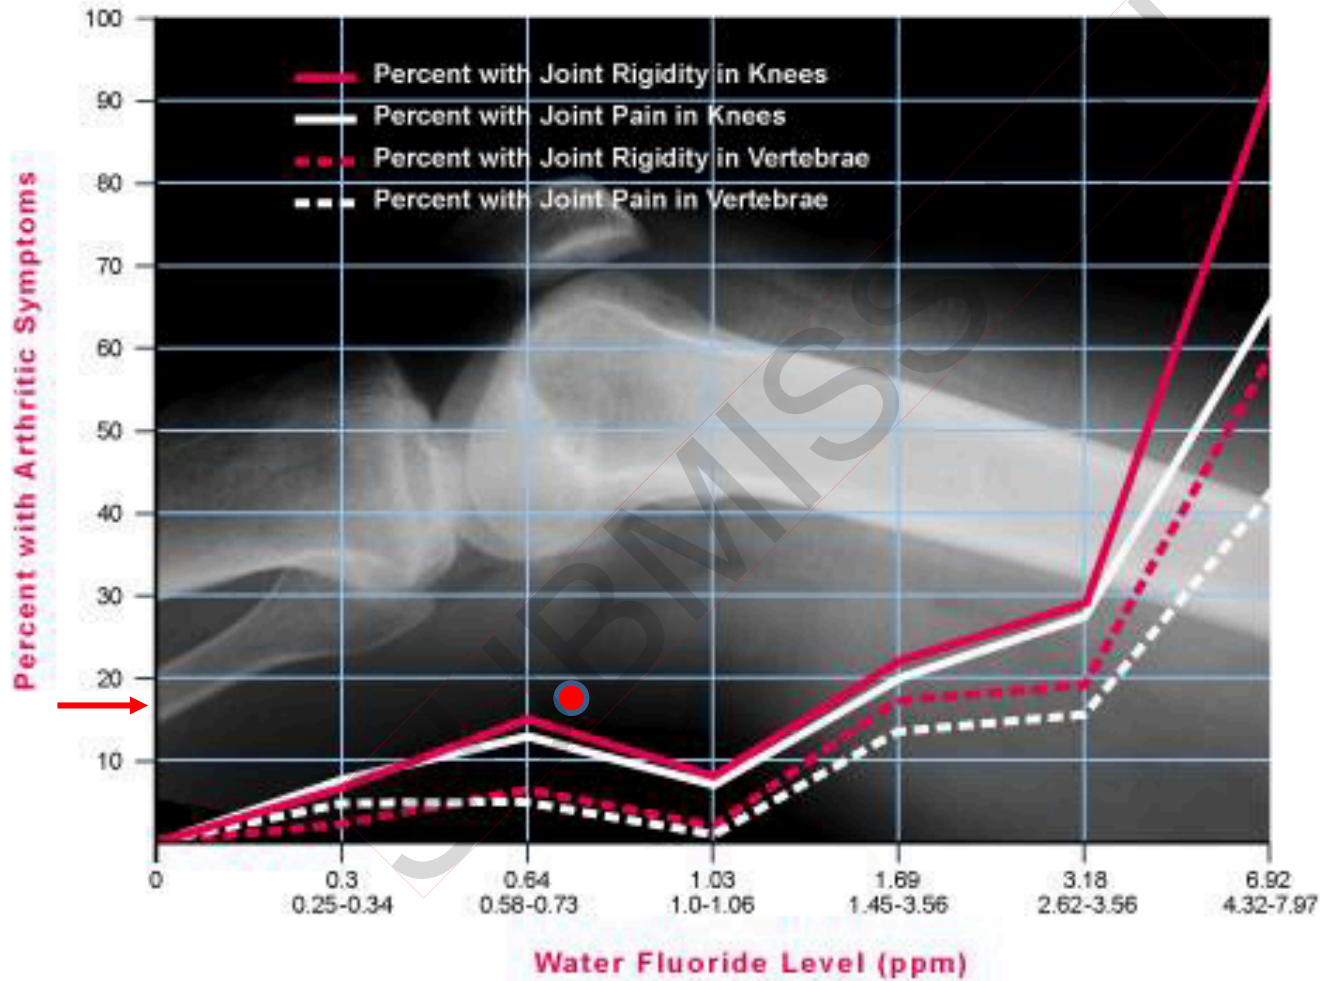

**Skeletal fluorosis** is the result of **excessive**, or years of **fluoride cumulation**. The **World Health Organization** now **confirms** fluoride **can** lead to **changes** in bone structure.

**Fluoride intake** can **also** lead to later **joint pains, stiffness, collapse, or replacement surgery**.

**Prevalence of Arthritic Symptoms in Communities  
Based on Fluoride Level in Drinking Water**

Ge X, et al. (2006). Investigations on the occurrence of osteoarthritis in middle-aged and elderly persons in fluorosis-afflicted regions of Gaomi City with high fluoride concentration in drinking water. *Preventive Medicine Tribune* 12(1):57-58. ( ● = NZ average 0.85 level.)

## EXAMPLE - **OSTEOPOROSIS** (BRITTLE BONES and JOINTS).

### What is **osteoporosis**?

This disease makes bones become brittle leading to a **higher** risk of breaks than in normal bone. Osteoporosis occurs when bones **lose** minerals, such as **calcium**, more quickly than the body can replace them, causing a **loss** of bone thickness (bone density or mass).

**Osteoporosis** is also a common disease in **fluoridated Australia**, with **1.2 million** people estimated to **now** have osteoporosis and a further **6.3 million** with low bone density. (Ref. Osteoporosis Australia, Oct 2017)

As many as **10 million fluoridated Americans** have [osteoporosis](#) and **34 million** more now have low bone mass, called [osteopenia](#), says the American National [Osteoporosis](#) Foundation.

A strong contributing **cause** in these countries is and has been the effects of **fluoride** being also **added** to **their** water supplies.

# Our Brains are also at risk!

- We can already have **mercury toxins** from eroding amalgam dental fillings in our systems – thanks to the past official dental care procedures and officials.
- Evidence is now available that **Fluoride** also has a bad effect on children - the **IQ** of students and smaller young brains – increased **Autism, ADHD, Depression**.
- **There is** also a link to the **decline** in the brain **function** of **elderly people** from the **accumulation** of **FLUORIDE** in their body's system over their life's years.

(Forgotten people's names, your keys, etc, **more** lately?)

Do/will they just tell you it's age related - to conceal it?

# Fluoride Effects on Children and Unborn Babies

According to the Harvard Study fluoride has some pretty extreme effects on children and even unborn babies:

*FLUORIDE READILY CROSSES THE PLACENTA. FLUORIDE EXPOSURE TO THE DEVELOPING BRAIN, WHICH IS MUCH MORE SUSCEPTIBLE TO INJURY CAUSED BY TOXICANTS THAN IS THE MATURE BRAIN, MAY POSSIBLY LEAD TO DAMAGE OF A PERMANENT NATURE.*

*THE AVERAGE LOSS IN IQ WAS REPORTED AS A STANDARDIZED WEIGHTED MEAN DIFFERENCE OF 0.45, WHICH WOULD BE APPROXIMATELY EQUIVALENT TO SEVEN IQ POINTS FOR COMMONLY USED IQ SCORES WITH A STANDARD DEVIATION OF 15. [...] THUS, CHILDREN IN HIGH-FLUORIDE AREAS HAD SIGNIFICANTLY LOWER IQ SCORES THAN THOSE WHO LIVED IN LOW-FLUORIDE AREAS. [2]*

# The CDC (Centre Disease Control) and the ADA (American Dental Assn) of USA both Warned Against Fluoridated Water for Infants.

In November 2006, the ADA (American Dental Assn) sent out an email to its members, recommending parents to use non or low-fluoride water to make infant formula.

This was a very reasonable recommendation, because an average **glass** of fluoridated water contains *250 times more fluoride* than breast milk.

A few days later, the Centre for Disease Control (CDC) followed suit, **but**, neither of them openly warned the public.

## **ANOTHER 'HIDDEN TRUTH'!**

Were we in **NZ** warned? **NO! WHY not? Who failed us?**

# New Zealand age structure

- Otago Polytechnic.

As of the beginning of **2017** according to our estimates New Zealand had the following population age distribution:

In absolute figures (estimate):

**932, 872 young people** under 15 years old ( 478, 061 males / 454, 810 females)  
**20.4%** of population under 15. (This group **rely on us** to keep them safe.

3,037,439 persons between 15 and 64 years old (1,521,878 males / 1,515,561 females)  
**66.4%** of population.

606,627 persons above 64 years old ( 277,866 males / 328,807 females)  
**13.3%** of population.

EVEN IF **ONLY 20 %** OF THE POPULATION IS THEIR **TARGET GROUP**,  
**WHY FORCE TOXIC FLUORIDE ON ANY OF US?**

THERE **ARE** OTHER AND **BETTER** 'DENTAL CARE' **ALTERNATIVES**.

# How much **Fluoride** is a danger?

- The Journal of **Epidemiology & Community Health** test found the health risk starts at just **0.3** milligrams per litre of water.
- Auckland Council has just recently **lowered** the input dosage down to **0.7** which is still **double** that risk exposure limit.
- It was **1.2** mg/L before. Now, a **40%** drop after **50 years!** WHY? Hidden truth? How much have you already accumulated? Allowed to continue?
- (Annual costs of Auckland fluoridation approx **\$210,000** – to poison the citizens?)
- You cannot now easily avoid this **toxic** fluoride.

# TOXIC FLUORIDE EXPOSURES

- **Fluoride exposure** comes from public network tap water, most toothpastes, mouthwashes, and many **antibiotics**, including all those given to **farm** animals (our food supply).
- There is a **large** variation in **exposure levels**, making it **impossible to accurately predict** the **exposure** (**not** just direct dosage) for any one person, family, or community.
- Fluoride **exposure** for many, can easily reach **danger** levels. A person's **Body Mass Index** (**size**) can also **worsen** their risks.
- For example, **Poison Control** should be called if **anyone** in USA swallows **a quarter** milligram of fluoride from **fluoride toothpaste**! (**NO** such toothpaste tube **warning** in NZ!!!)

(**Sodium** Fluoride **is** listed with the U.N. Number 1690 - **toxic**.)

# HAVE YOU NOTICED?

- NZ Dental industry is focused only on **children's** dental problems and ~~wants to~~ (now has) more Fluoride put into toothpaste ignoring the **other serious HEALTH risks. WHY?**

(HEARD – THEIR NORMAL TOXIC FLUORIDE LEVEL WAS NOT SHOWING OR GIVING THE RESULTS THEY EXPECTED OR WANTED!)

- The Fluoride **WARNING** on some packets of toothpaste. Do **READ** them carefully. **Poison!** Actions if any swallowed! **Contact the Poison Centre!** What is that telling us??

- The NZ Dental industry wanted increased dose levels! They do not realize or **know why** that won't work, (we found a reason why) but, more will increase the **danger to all users!**

(Note: - The levels of toxic fluoride **they have** now increased!)

**BEWARE - TOOTHPASTE WARNINGS IN NZ ARE NOT COMPULSORY, AS IN USA.**

## NZ MINISTRY OF HEALTH (Info on Website 2017) – **FLAWS**

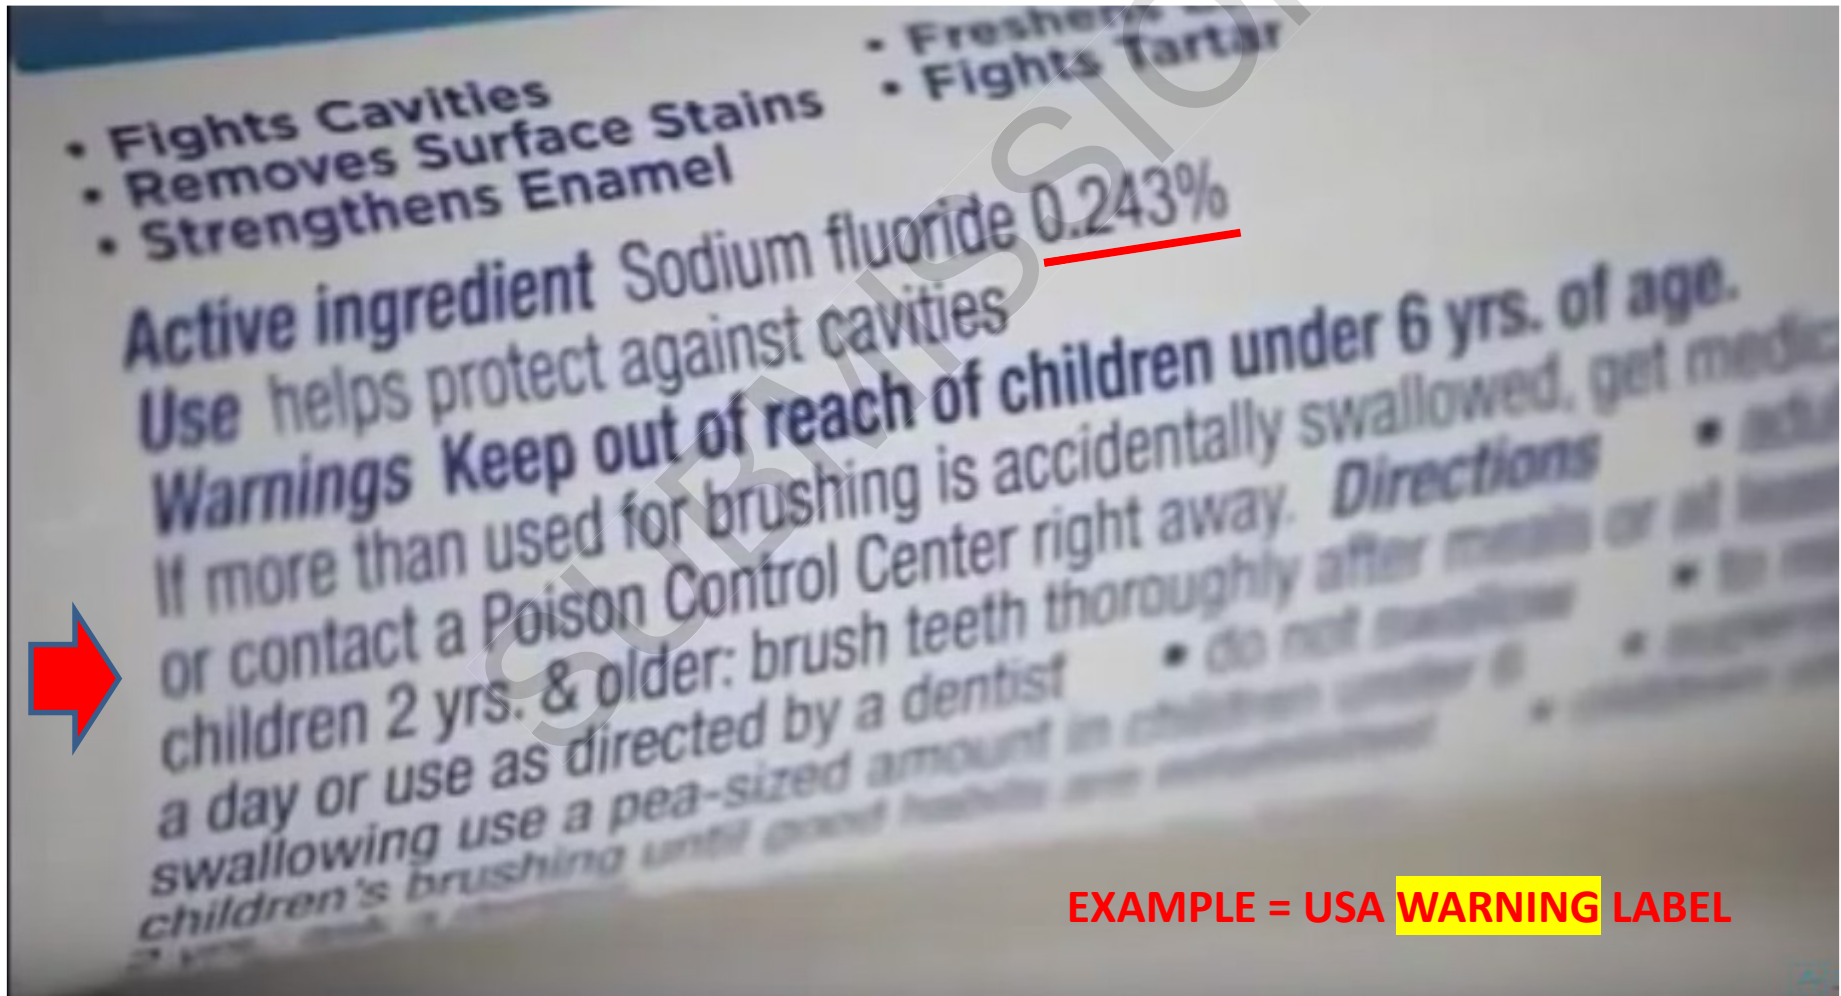

‘**NATURAL**’ Fluoride **they talk** about but it is **NOT** used in NZ. **Most fluoridated toothpastes** on sale in New Zealand contain (**did**) 1000 ppm or **0.221% sodium fluoride** or 0.76% sodium monofluorophosphate(**toxins**). (**But MOH limit now ignored!**)

This is **their recommended strength** for adults **and children**, based on **their** consensus of many years of research on the effectiveness of different strengths of toothpaste. (**Not so, USA**)

Adults should use a **‘pea’** sized amount and younger children should use just a **smear** of the same strength toothpaste on a small brush. Children should be **discouraged** from swallowing or eating toothpaste. (**NOT as Hazard label warnings law in USA.**)

(“Data found inaccurate, seldom practiced, not widely advised, and avoids mention of the **other risks**”.)

A SAMPLE OF **FLUORIDE WARNINGS ON SAME TUBES IN U.S.A.** OF 'FLUORIDE' TOOTHPASTE BASED ON THE **0.243** PER CENTAGE % **BUT NOW in NZ** - 'Colgate Total' = 0.32% and 'MacLeans' = 0.31%. **WHY? Up 45%! (Sodium Fluoride has the U.N. Number 1690 - **toxic.**) 'CONTACT A POISON CENTRE RIGHT AWAY' **SHOULD** BE TELLING US SOMETHING!**

EXAMPLE = USA **WARNING LABEL**

MANY SAME

MAN-MADE

TOOTHPASTES

SOLD

IN NZ

ARE A

**HAZARD.**

**(See USA  
LABELS)**

**Toxic chemicals** found in **most** toothpastes: **Sodium Fluoride**, Titanium dioxide, **sodium hydroxide**, sodium lauryl sulfate (SLS), **Triclosan**, sodium saccharin, **polyethylene**, hydrated silica, sorbitol, xanthan gum, cellulose gum (chemically-treated), and carbomer.  
**(Since 1997 the FDA requires warning labels on ALL fluoride toothpaste sold in USA.)**

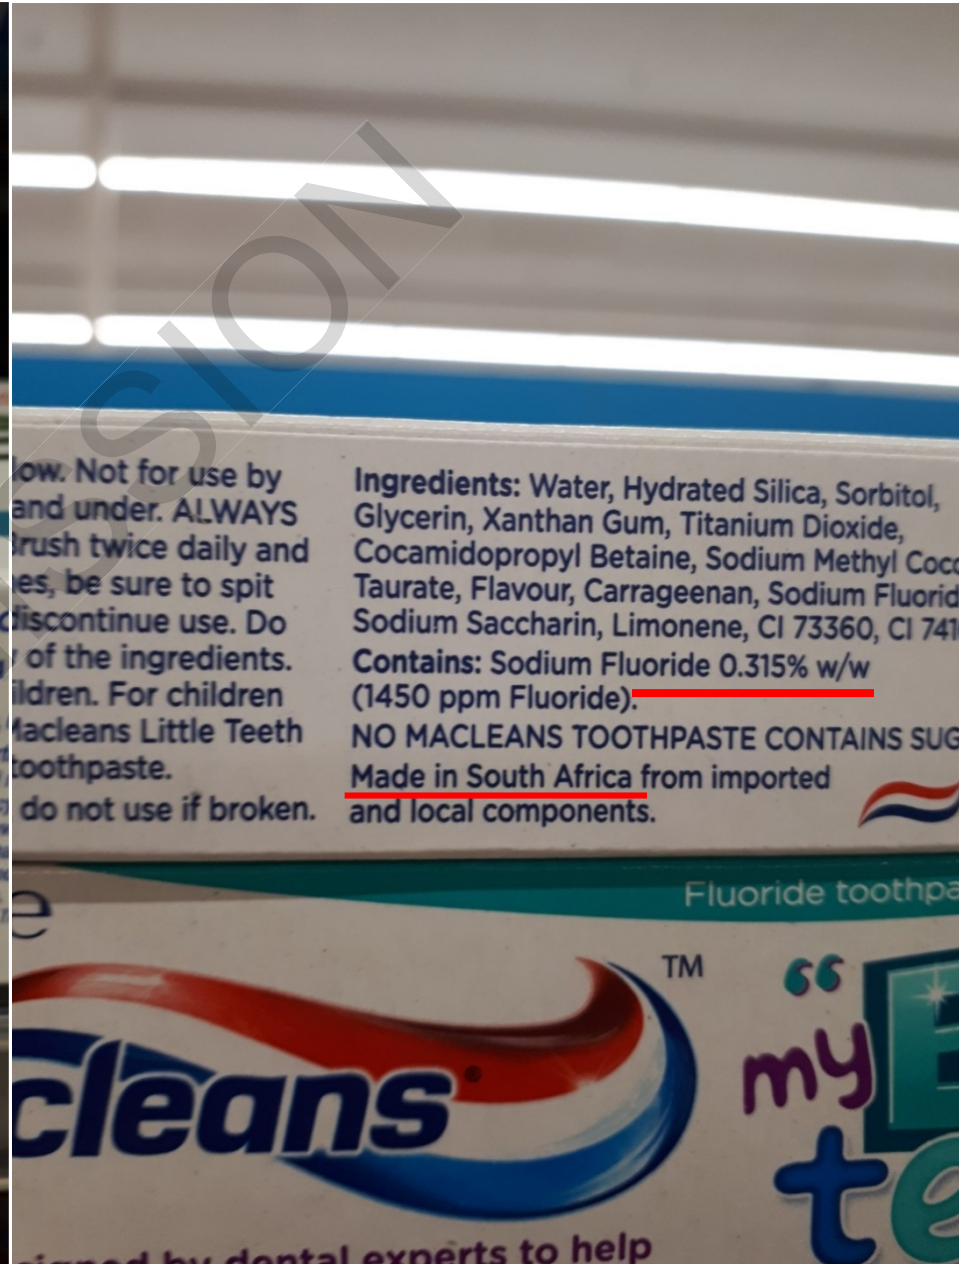

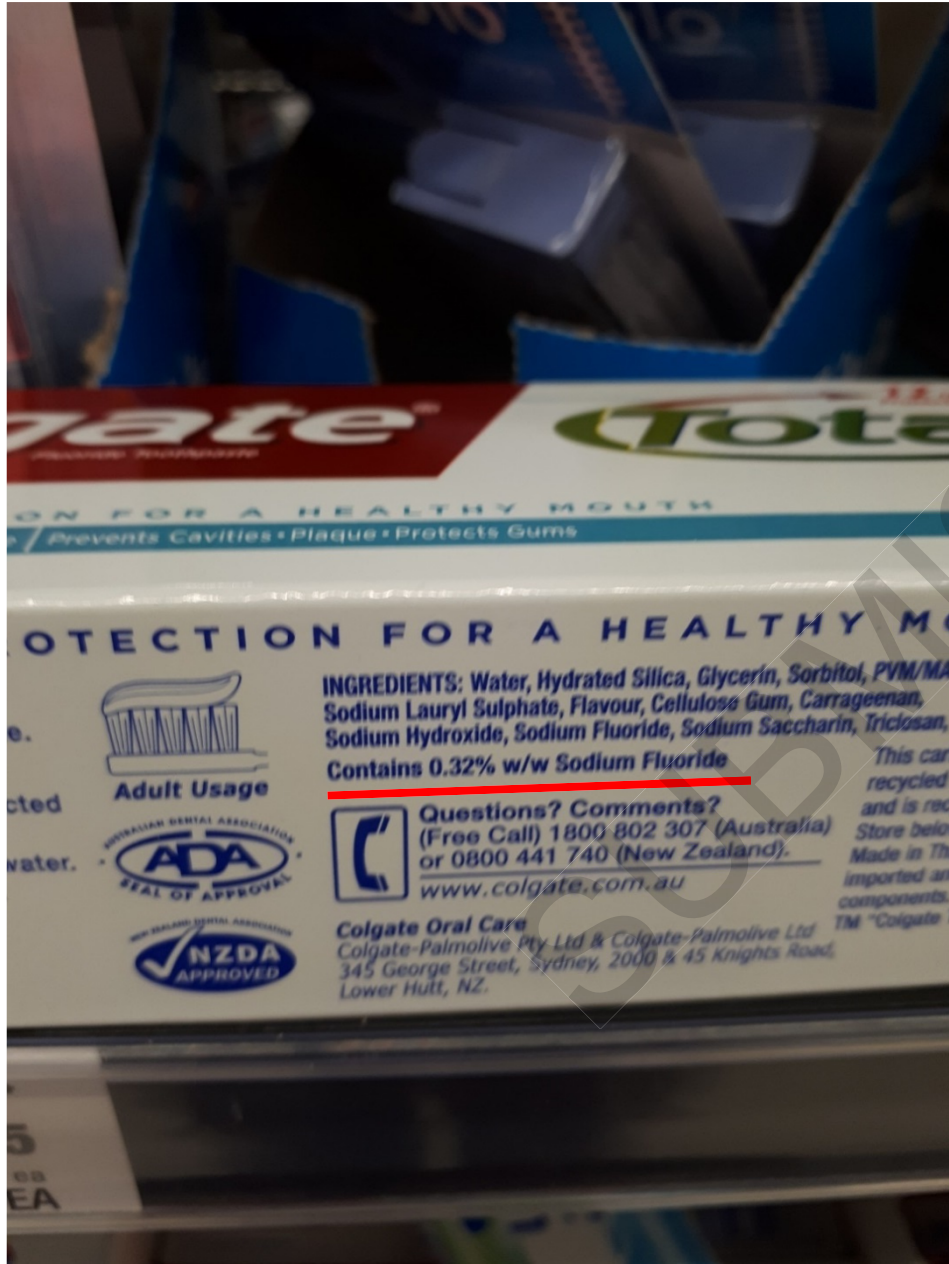

The **'Added' Sodium Fluoride** level is at **8 times** than that added to most water supplies!  
SOME toothpaste suppliers have just **increased** the **Fluoride 45 percent higher still!** **Why?**

**PROOF -**

**COLGATE 'TOTAL' AT 0.32%**

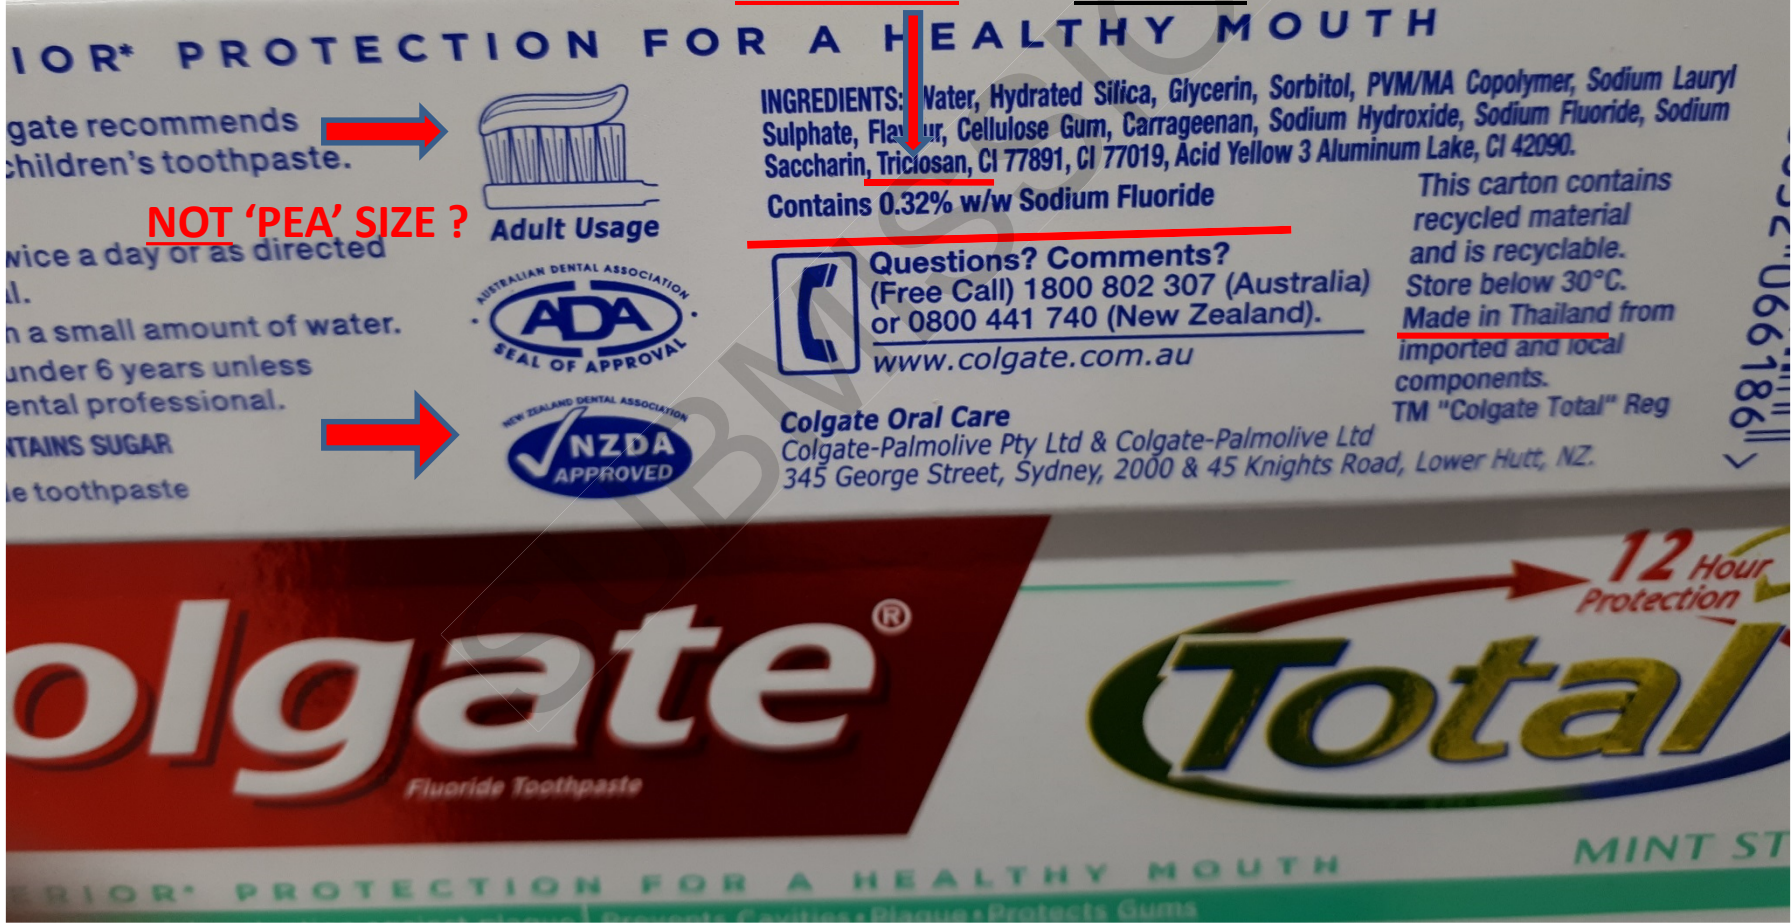

**MACLEANS TOOTHPASTE AT 0.315%**

**(INCREASED LEVEL 45% ABOVE THE NZ GOVT MIN.OF HEALTH RECOMMENDED LEVELS!)**

**EXCESS FLUORIDE LEVEL IN AND DOSES APPROVED BY NZ DENTAL ASSN. ???**

**TRICLOSAN WAS BANNED BY FDA IN USA IN 2015.**

**NOT 'PEA' SIZE ?**

WHO IS ALSO **COMMERCIALY** DRIVING THE **TOXIC FLUORIDE** INTO SOCIETY?

*principal sponsor*

The NZDA  
Website -  
A TRUE FACT!

THEY **DO** HAVE THIS POSITION BELOW, ACTUALLY **IN** THE NZ DENTAL ASSN.

**Colgate** Oral Health Promotion Manager

*Management of NZDA oral health promotion activities, liaison with schools, media and health sector to promote oral health, Healthy Smiles website editor.*

PROMOTING **TOXIC** FLUORIDE- ADDED TOOTHPASTE TO **INNOCENT** SCHOOL CHILDREN??

**MAJOR** TESTS HAVE **ALREADY** BEEN DONE!

The **largest** study of tooth decay in America (by the **National Institute of Dental Research** in 1987) proved that there was **no significant difference** in the **decay rates** of **39,000** fluoridated, partially fluoridated and non-fluoridated **children**, ages 5 to 17, surveyed in **84 cities**.

The **media** has **never** disclosed these **facts**.  
The study cost the USA taxpayers, **\$3,670,000**.

Surely, we are all entitled to hear these results.

(More 'Hidden Truths' ?)

# OUR NZ HEALTH SERVICES ARE NOT COPING WELL AND THE COSTS ARE SOARING.

AS TIME GOES BY MORE OF US ARE SUFFERING FROM **THYROID** PROBLEMS, **BRAIN** PROBLEMS, **BONE** AND **JOINT** PROBLEMS, AND MORE **CANCERS**, JUST NAMING SOME.

THE HAZARDOUS EFFECTS OF **FLUORIDE** ARE RELATED DIRECTLY TO THESE  
SERIOUS PROBLEMS.

*(OTHER FLUORIDATED COUNTRIES ARE ALSO SUFFERING THE SAME HEALTH PROBLEMS)*

**NEW** RESEARCH HAS NOW FOUND THE REAL REASONS **WHY** WE NEVER KNEW AND  
THE TRUE INFORMATION WAS AVAILABLE SOME YEARS AGO.

**THEY WERE HIDDEN** FROM THE PUBLIC, BY **CERTAIN** ORGANISATIONS AND  
OFFICIALS.

THE INFORMATION REPORTS HAVE NOW BEEN REDISCOVERED AND NOW AVAILABLE  
EXPOSING THE LONG OFFICIAL **FRAUD**.

**THEIR ACTIONS WERE/ARE MORALLY WRONG, IF NOT CRIMINAL !**

**ANOTHER HIDDEN ANNOUNCEMENT - 2006**

**IN THE WORLD'S TOP PRESTIGIOUS MEDICAL JOURNAL  
'THE LANCET'**

**IT HAD BEEN FORMALLY ANNOUNCED THAT**

**FLUORIDE HAD BEEN DECLARED A NEUROTOXIN.  
(BRAIN DAMAGING)**

**THE 'REPORT' GROUPS FLUORIDE'S TOXICITY LEVEL WITH  
OTHER NEUROTOXINS  
SUCH AS ARSENIC AND LEAD .**

(The detailed report can be read on-line)

## ANOTHER REPORT:

The report coincides with 2013 findings by a Harvard University meta-analysis funded by the **National Institutes of Health** that concluded that **children** in areas with highly fluoridated water have “**significantly lower**” **IQ scores** than those who live in areas with low amounts of fluoride in their water supplies.

There are **numerous** other **new** reports too.

One report advises ‘diabetic’ people are particularly ‘at risk’.

## OTHER SHOCKING REPORTS:

### EFFECTS OF EXCESS FLUORIDE ON HUMAN 'MENTAL OUTLOOKS'

REPORTS FROM RESEARCHERS SAY **ONE EFFECT** OF EXCESSIVE FLUORIDE ON A PERSON'S BRAIN IS TO MAKE THE PERSON '**SUBMISSIVE TO AUTHORITY**'.

SUPPORT FOR THIS COMES FROM HISTORICAL **WWII RECORDS** WHERE IT IS SHOWN THAT **EXCESS** FLUORIDE **WAS** ADDED TO SOME WATER SUPPLIES IN RUSSIA, AND LATER BY **HITLER** IN GERMANY WITH THE INTENDED PURPOSE OF CONTROLLING PRISONERS AND INMATES OF BIG CONCENTRATION OR WAR CAMPS. **POST-WAR TESTS** ON BONES ALSO SHOWED THAT THIS WAS FACTUAL AND IS WHY IN PART THE AMERICAN ARMY FOUND CAMP INMATES 'WERE LIKE ZOMBIES' ON THEIR RELEASE.

AMERICAN '**ALCO**' AND '**DOW**' **CORPORATIONS** LATER SENT **SCIENTIST** (MR ELLIOT PERKINS) TO GERMANY TO LEARN HOW HITLER ALSO **USED FLUORIDE** TO CONTROL THE PEOPLE OF CITIES AND TOWNS HE OVERRAN.

ALL THIS WAS BEFORE 'NORMAL FLUORIDATION' WAS EVER STARTED IN USA.

THE **NEUROTOXICITY** OF 'FLUORIDE' WAS KNOWN AS THE AMOUNT OF FLUORIDE NOW ADDED IS PURPOSELY LIMITED TO VERY LOW LEVELS AND FOR PART OF THEIR **PLAN** OF 'DISPOSAL' OVER TIME. ALL TO BE ACHIEVED WITHIN SOCIETIES THAT ARE SLOWLY BEING MADE '**SUBMISSIVE TO AUTHORITY**'.

# LATEST REPORT ON AMERICA'S CURRENT MENTAL HEALTH STATUS (Dec. 2016) (Source - Dr. Mecola.com Research Team)

## 1 in 6 Americans Are Now on Psychiatric Medication

Drug Corporations are smiling in **USA** – the biggest **most fluoridated** country in the world. **Profits** are soaring.

### Story at-a-glance

- 1 in 6 Americans are now on antidepressants or some other type of **psychiatric drugs**, and most appear to be taking them **long-term**.
- Caucasians are **twice** as likely to use psychiatric drugs than African-Americans and Hispanics;
- 1 in 4 seniors are taking at least one psychiatric drug; and nearly **twice** as many women use psychiatric drugs than men
- While psychiatric drug prescriptions have **increased**, **mental health** in the U.S. is **declining**.
- **Suicide rates** are at a 30-year high and mental disorders are now the **second** most common cause of disability.

**WILL NEW ZEALAND FOLLOW SUIT? THE POSSIBILITY IS VERY REAL IF THIS FLUORIDATION FRAUD IS NOT CEASED BUT FORCED ON US ALL, KIDS TOO.**

**The World Health Organization (WHO)** reports Jan 2017 that around 47 million people around the world suffer from **dementia**, and **7.7 million** new cases emerge every year.

The threat is **definitely** growing, and there have to be **reasons** for it - nearly anyone might argue it has something to do with the **environment** we live in.

---

That is another valid reason to remove **toxins** such as **toxic Fluoride** from our water supplies.

Those that want **Fluoride** could still buy it in toothpaste and as **most** technical people **agree**, any benefit from Fluoride is best from **topical** (direct) applications – **NOT** ingested.

Government money **saved**, could support **better** dental care e.g. **free** toothbrushes and oral health teaching **in schools**.

(A better **FLUORIDE-FREE** '**Child-smile**' program for NZ as in Scotland ?)

## **TOXIN EFFECTS ON BODY'S IMMUNE SYSTEM - BLOCKAGES**

**Fibrin** is a “sticky” protein your body uses to **help isolate, cover and heal wounds**. It's a natural part of **your immune system**.

**Fibrin** can help make a scab on a wound, but it's also used to isolate an injured area of your body. By isolating an injury, your **immune system** protects the area while using white blood cells and other proteins to fix the problem.

The **overproduction of fibrin** doesn't come from injuries, but **from chronic inflammation** caused by **environmental toxins** (e.g. **Fluoride** in our **drinking water** and **highly processed** foods).

The fibrin “mesh” is so fine, it can trap red blood cells that deliver **oxygen**.

Over time, **excess** fibrin acts like a web which **BLOCKS** blood flow and traps red blood cells, preventing **oxygen** from reaching tissues and waste from being removed.

**Source: British Journal of Clinical Pharmacology.**

## **Endocrine-Disrupting Chemicals Wreak Havoc With Male Gender**

GQ Magazine interviewed 82-year-old Dr. Niels E. Skakkebaek, a pediatric endocrinologist at Rigshospitalet in Copenhagen, **Denmark**.

In Denmark, 1 in 5 men **cannot** father children, and Skakkebaek has been investigating the country's **growing infertility** trend since the 1970s, when he discovered infertile male patients with an identical yet curious abnormality he'd never seen before.

### **Other environmental and lifestyle factors that impact male fertility include:**

Other toxic exposures such as PFOA, NPEs, bovine growth hormones (sometimes given to cows to boost milk production), **MSG**, **fluoride**, and **pesticides** such as methoxychlor and vinclozolin.

**Medications** such as **statins** and SSRI **antidepressants**.

**Poor diet** and common **vitamin** deficiencies, including [vitamin D deficiency](#).

[Electromagnetic field \(EMF\) exposures](#).

[Obesity](#) and/or inactivity.

For a list of strategies that can help treat infertility and boost fertility naturally, see "[Skyrocketing Male Infertility May Threaten Mankind's Survival.](#)"

**THE FLUORIDE AND CANCER LINK – REALLY SERIOUS.**

"In point of fact, fluoride causes more human cancer death, and causes it faster than any other chemical."

Dr. Dean Burk PHD  
(34 years at the national cancer institute)

**THIS INFORMATION WAS ALSO AVAILABLE **TEN YEARS +** AGO !**

ALSO:

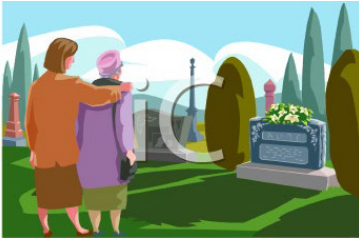

**Noble prize Winner** Dr. Otto H Warburg, who discovered the real cause of **cancer**, also found that the 'root cause' of cancer is **oxygen deficiency**. Oxygen deficiency leads to an **acidic state** in the **human body**. Dr. Warburg also found that **cancer cells** are **anaerobic** (do not breathe oxygen) and **cannot survive** in the presence of high levels of **oxygen**, as found in an **alkaline** body state.

----- **ACIDIC BODY STATE** -----

By **enforcing** that **FLUORIDE** (Hydrofluorosilic **Acid**) be added to our NZ water supplies, **increases** our exposure, **increases** your body's **acidic state** and **your family's** risk of **CANCER and/or poor recovery**.

**THEN, add** the **danger** of **sugar** (glucose) in our **western** diet, medically known to be the **food** of **cancer** **(and a major cause of dental decay)!!!!**

# CANCER RECOVERY !

ANOTHER SERIOUS QUESTION!

THE NUMBER OF PEOPLE **SUFFERING** OR **DYING** FROM **CANCER** IS **INCREASING**.

THERE ARE A RANGE OF POSSIBLE CAUSES, **BUT**.....

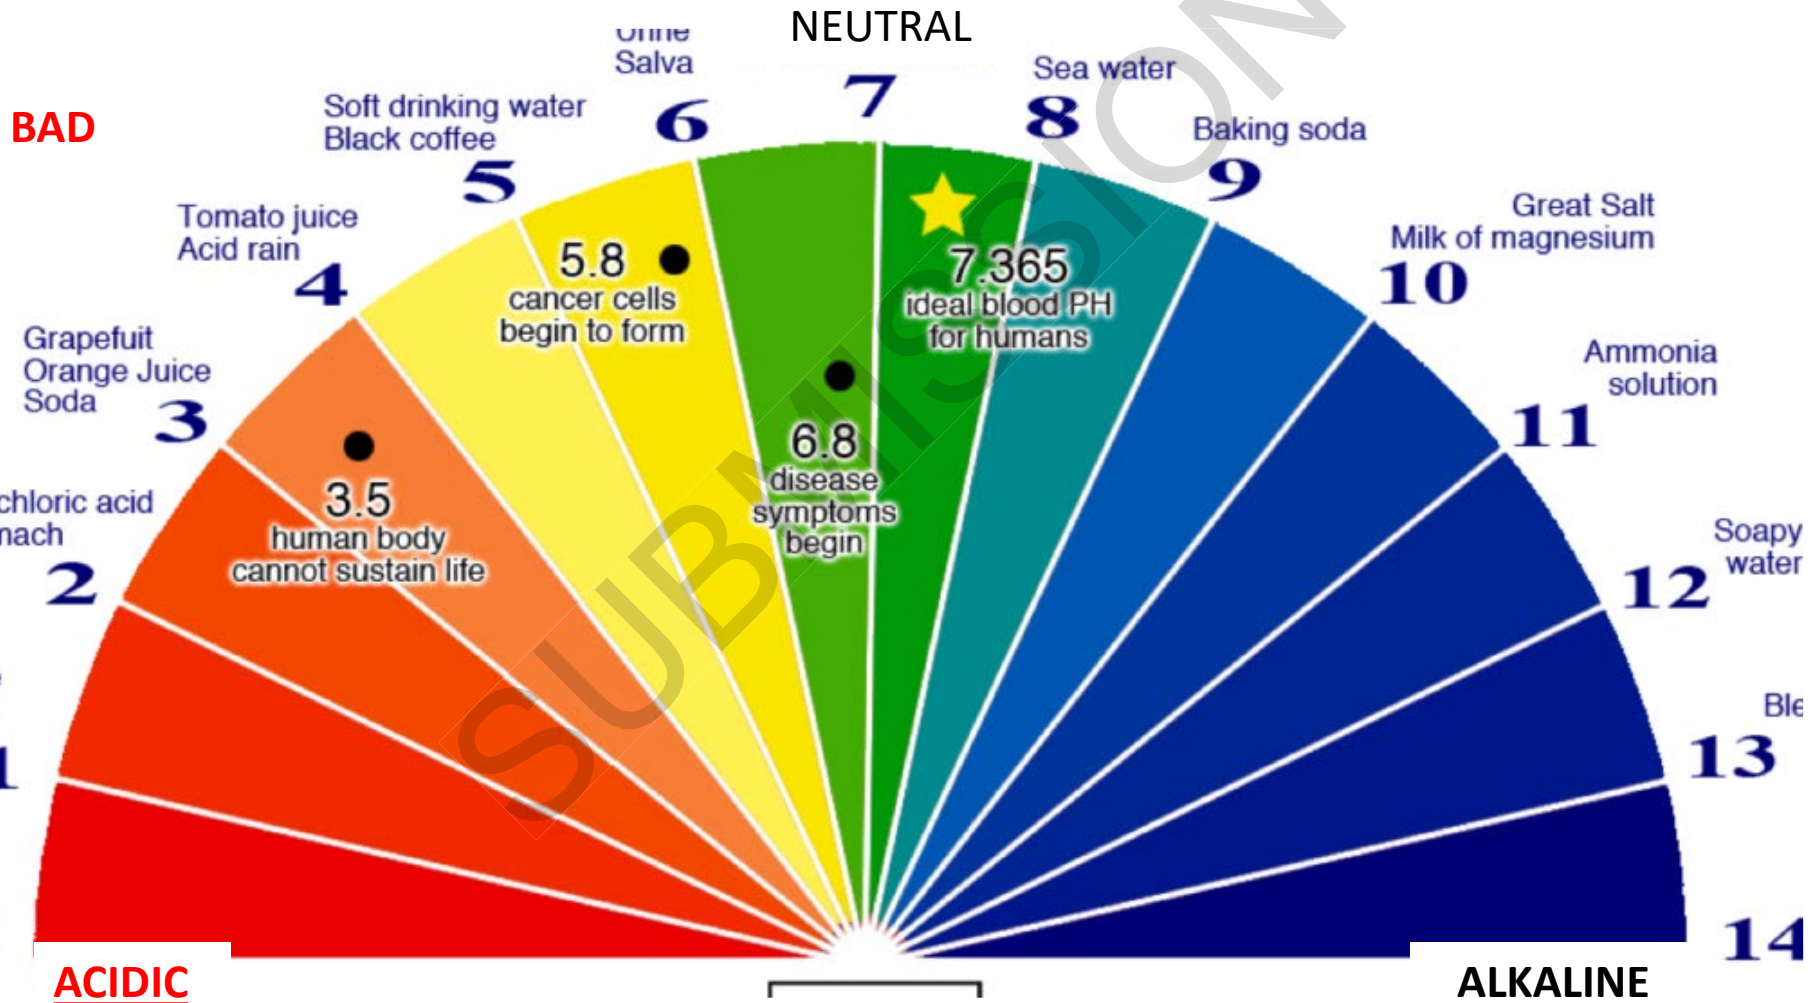

IF YOU OR ANYONE GETS, HAS, OR HAD **CANCER**, HOW CAN A **GOOD RECOVERY** BE EXPECTED WHEN SOME 'PUPPETS' ARE STILL PUTTING '**CANCER PROMOTING**' **FLUORIDE** INTO OUR WATER SUPPLY?

(Particularly **bad** if **Chemotherapy** was in the patient's **treatment**.)

WHO **WILL** CARRY THIS **GUILT** INTO THE FUTURE?

THINK SERIOUSLY ABOUT THAT!

# YOUR BODY RELIES ON AN ALKALINE ENVIRONMENT TO WORK EFFICIENTLY AND REMAIN HEALTHY

NZ 'FLUORIDE' IS ANOTHER ACID BEING ADDED INTO YOUR BODY VIA WATER.

**FACT** - SOME RACES WITH A DIFFERENT GENE ARE EFFECTED WORSE BY **FLUORIDE**

Rev. William Owens,  
President of the Coalition  
of  
African American Pastors

"Why wasn't the black community told that blacks are disproportionately impacted by harm from fluorides and fluoridated water? Nobody told me until I learned about this a

# A Tip To Protect Yourself

The tip is to...

**again ... avoid fluoride ... because**

**Fluoride** is being **increasingly** used in **prescription drugs**, our water supply, and **dental products**.

Also, **Drug companies** have found that fluoride (1 which is derived from fluorine) has unique properties that are ideal for prolonging the active presence of a drug in the body.

While some drug companies **may think** fluoride is magnifying the effects of the drug, it's also **magnifying** the amount and intensity of the **drug's side effects**.

Example: One **real** trouble is that **fluoride** binds **magnesium** and turns it into an **insoluble** mineral.

The bond is so tight that **magnesium** is **completely lost** to the body.

Magnesium is as **vital** as oxygen or water to our bodies.

**Their** so-called "**Miracle Mineral**" -**Fluoride** is factually associated with **fifty-six negative** medical conditions!

## **MORE HIDDEN INFORMATION – From USA**

Cities with **fluoridated water** have **higher** cavity rates and **higher cancer** death rates when compared to cities with **unfluoridated water**.

As of 2010, 66% of US water supplies are currently fluoridated, but the **real** news is that **since 1999 over 60** U.S. communities have **rejected** fluoridation.

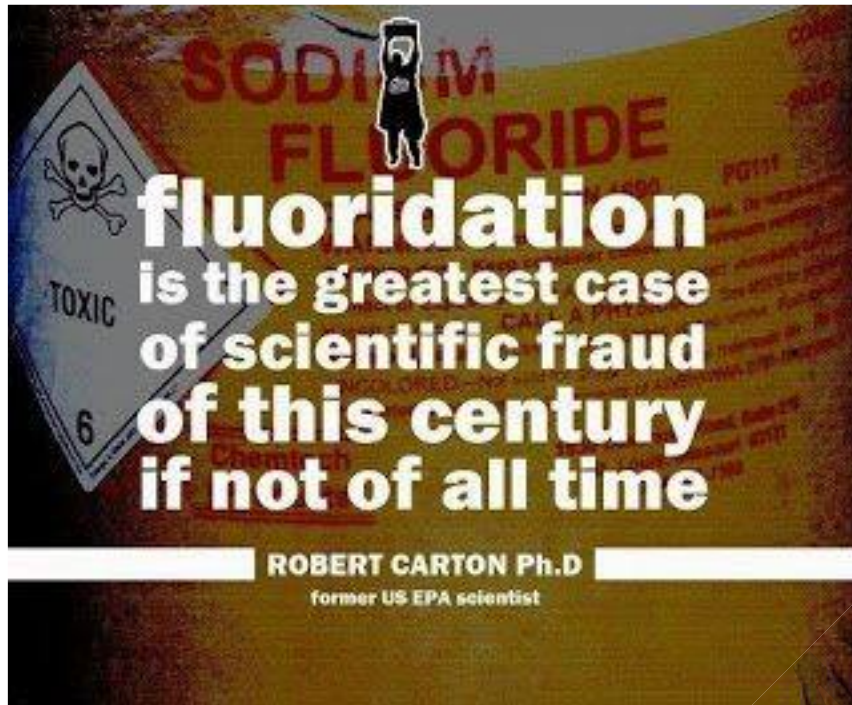

**Hidden sources of fluoride:** Most commercial crops are **watered** with fluoridated water. These **crops absorb** the fluoride. (which we then eat). Fruit juices from concentrate are reconstituted with **fluoridated** water, and bottled water, even if it's filtered, usually has fluoride in it.

**Fluoride is still defended today for two reasons:**

The **massive profit** produced by selling it to local municipalities, and the **liability** that could follow **an admission** that **it is in fact, toxic and harmful**. **We get only ONE life - their Profits or our Health?**

# JUST SOME **PROFESSIONALS** WHO WERE PRO-FLUORIDE AND HAVE SINCE **CHANGED THEIR MIND.**

- LATE **FORMER AUCKLAND** PRINCIPAL DENTAL OFFICER WHO, **ORIGINALLY** HELPED **PROMOTE** FLUORODATION BOTH IN NZ AND OVERSEAS, HAD SINCE RESIGNED AND REVERSED HIS OUTLOOK ON FLUORIDE AFTER **FURTHER STUDIES** ON THE SUBJECT.
- DOCTOR Richard L SHAMES MD and Karilee H. SHAMES PhD, RN, IN USA WHO WORKED AS A PREVENTION-ORIENTED TEAM FOR **OVER 25 YEARS** STUDYING THE EFFECTS OF **FLUORIDE** ON THE **THYROID** GLANDS. THEY WROTE SEVERAL BOOKS LIKE 'THYROID POWER'. THEIR DEEP STUDIES ON THE **HISTORY** AND THE LACK OF TESTS HAD **SHOCKED** THEM. THEY ALSO DISCOVERED **FLUORIDE** IS THE **ONLY** ENVIRONMENTAL **HORMONE DISRUPTOR** THAT IS PURPOSELY ADDED INTO DRINKING WATER SUPPLIES.
- DOCTOR MERCOLA'S **TEAM** DOES DEEP RESEARCH **IN AMERICA** INTO THE HISTORY OF FLUORIDATION AND HE'S WRITTEN A BOOK EXCLUSIVELY ON THE SUBJECT WITH DATES, NAMES, AND PLACES INCLUDED. HE EXPLAINS HOW THE WHOLE THING WAS A LARGE PR FRAUD AND HOW IT WAS CARRIED OUT **TO SUIT A BUSINESS PLAN**. HE EXPLAINS EVEN MORE ON HIS WEBSITE (MERCOLA.COM) WHICH HAS OVER ONE MILLION READERS.
- AMERICA'S FLUORIDE ACTION NETWORK (FAN) HAS **MORE THAN 1000 SIGNATURES** OF PROFESSIONALS WHO ARE NOW ANTI-FLUORIDE AND THE NUMBER IS GROWING.

MANY **SCIENTISTS** ARE NOW SAYING  
THE **SAME** THING – THE ADDING OF  
TOXIC **FLUORIDE** WAS A **FRAUD** FROM  
THE VERY START.

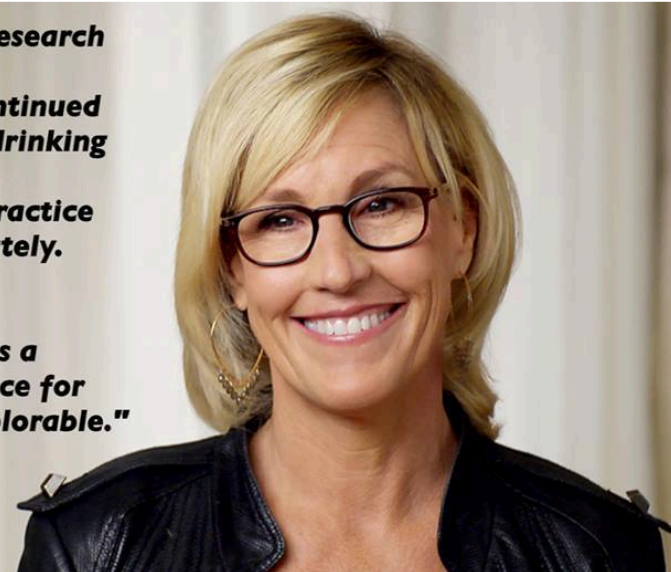

SOME **WON'T** DO ANY RESEARCH  
AS IT MAY **EXPOSE THE TRUTH** –  
WHICH THEY **DON'T** WANT TO **ADMIT**.  
(BEING A **PC** PUPPET IS ALSO EASIER!)

OTHERS ARE **MORE** HONEST WITH  
THEMSELVES.

*"After a great deal of research and personal thought, I am opposed to the continued policy and practice of drinking water fluoridation; I believe this harmful practice must be ended immediately. Public drinking water is a basic human right; and its systematic use as a dispensary of a substance for medical purposes is deplorable."*

**Erin Brockovich**

LEGAL CLERK

	IADA & KAMAR REPORT 2009	
Water / Fluoride Mg/ L	Kids with Caries	Kids with Fluorosis
< 0.3	55.5	14.6%
0.3 – 0.7	54.6	19.6%
<b>0.7 – 1.2</b>	54.4	25.2%
> 1.2	56.4	40.5%

THE RESULTS SHOW THE MORE **FLUORIDE IN THE WATER** THAT IS **INGESTED**, THE MORE FLUOROSIS AND **SKELETON BONE DISEASES ARE RISING**.

**TEETH** ARE LITTLE EFFECTED AS, FLUORIDE'S **PRESENCE IN A MOUTH** IS **VERY SHORT** (AS IN DRINKING) BUT **OTHER ORGANS – NOT SO**.

## COCHRANE REPORT – 2015

THERE COULD BE **NO** **HIGH QUALITY RESEARCH** FOUND, **THAT SHOWED**:

- 1. Fluoridation** had any **benefits** for **adults**. (80% of NZ)
- 2. Fluoridation** had any additional benefits over and above **topically** applied (direct applications) fluoride.
- 3. Fluoridation reduced** inequalities among children from different socio-economic groups.
4. Tooth decay **increased** when fluoridation is **stopped**.

---

### **XIANG STUDY**

**A DOSE OF fluoride 1.4 Mg per day lowers IQ by 5 IQ Points !**

---

**MANY MORE REPORTS ARE CONFIRMING THE SAME SORT OF RESULTS.**

# JUST SOME ADDITIONAL THOUGHTS!

REMEMBER THAT **WARNING** - KEEP **FLUORIDE** OUT OF OUR ENVIRONMENT?

ONCE ADDED, WHERE DOES ALL OUR **TOXIC FLOURIDATED WATER (99%)** GO?

- GARDENS – OVER THE VEGETABLES WE GROW/BUY AND EAT?
- ANIMALS – INTO MEAT OR CHICKEN WE EAT AND INTO OUR PETS?
- FOOD AND PRODUCE – ALL THAT WASHING BEFORE PACKAGING?
- FOOD PROCESSING – ADDED DURING MIXING OR BLENDING?
- DOWN DRAINS – INTO OUR RIVERS AND SEA – FISH AND POLLUTION?
- ALL OVER US – AS WE WASH, BATHE, SHOWER, AND SWIM?

WE HAVE ALL DONE SOME OF THAT – **WITHOUT** THINKING.

(Mainly because it is **not** visible.)

IF WE REALISED FLUORIDE'S **TOXICITY** IS **SIMILAR** TO **ARSENIC** –  
WILL YOU STILL DO IT, OR, STILL WONDER WHY OUR HEALTH SYSTEM  
**IS NEARING CRISIS?**

## THINGS WE ALSO DON'T THINK **SERIOUSLY** ABOUT:

- WE DO NOT ADD **ARSENIC** TO OUR WATER SUPPLY.
- WE DO NOT ADD **LEAD** TO OUR WATER SUPPLY.
- BUT, ..... THEY DO ADD **FLUORIDE** TO OUR DAILY WATER SUPPLY.

**YET .....**

- **FLUORIDE** IS **JUST** SLIGHTLY LESS **TOXIC** THAN **ARSENIC** !  
(WHICH IS ALSO ONE IMPURITY OFTEN FOUND IN OUR MAN-MADE FLUORIDE.)
- **FLUORIDE** IS **MORE** **TOXIC** THAN **LEAD**.  
(WHICH WE HAVE HAD LEAD **REMOVED** FROM OUR PETROL, AND PAINTS – AS  
ON TOYS AND COTS.)

( THINK ABOUT THE **LOGIC** IN ALL THAT! )

Dr John Yiamouyianni

Author: Fluoride and the Aging Factor

## OUR 'CATCH-22' SITUATION

YOU ARE BEING GIVEN A CHOICE BETWEEN TWO GLASSES OF LIQUID TO DRINK.

- BOTH LOOK THE SAME – CLEAR INNOCENT LOOKING WATER.
- ONE CONTAINS **FLUORIDE** IN WATER AND THE OTHER **ARSENIC** IN WATER.
- WHICH OF THESE WOULD YOU DRINK? EIGHT PER DAY THEY RECOMMEND!
- MAKE YOUR CHOICE. THAT **WILL BE** FOR TODAY, AND EVERY DAY FOR LIFE!
- SORRY, BUT THE **TOXICITY** IS NEARLY **THE SAME** FOR **BOTH** CHEMICALS !!!

A REAL CHEMISTRY BOOKS FACT!

- THIS IS WHY YOU MUST TRY TO **PROTECT YOUR FAMILY'S FUTURE HEALTH?**

## A FEW QUOTES ON FILE FROM DIFFERENT OVERSEAS OFFICIALS

"**Fluoridation** ... it is *the greatest fraud that has ever been perpetrated* and it has been perpetrated on more people than any other fraud has." - Dr. Professor Albert Schatz, (Microbiology), co-discoverer of Streptomycin, the cure for tuberculosis and numerous other bacterial infections.

In Harlem, NY, which **has been** fluoridated for **32 years**, "There's **more dental decay** among these **kids**; we see the *beginning of inflamed gingivitis in their mouths.*" *American Dental Association*, May 2000

"**Fluoride** has been shown to *adversely effect the central nervous system*, causing behavioral changes, increased hip fractures and reproduction problems." *Natick Report Research Team [Research Microbiologist, U.S. Army, Dr. B. J. Gallo, Environmental Chemist, J. Kupperschmidt Apollo Program Project Scientist, Dr. N.R. Mancuso, U.S. Army Natick Research Labs, A. Murray, Molecular Biologist, Dr. Strauss]*

## THESE HAZARDS OF FLUORIDE.

- WHO **KNEW** BUT NEVER PASSED IT ON? A REAL COVERUP?
  - WHY WERE YOU **NOT** TOLD ABOUT THESE **SERIOUS HAZARDS**?
  - WHY WERE WE **NOT** TOLD THROUGH THE NEWS / TV **MEDIA**?
  - WHO **IS** RESPONSIBLE? A **GOOD CASE** FOR A **'CLASS ACTION'**?
  - **WHO** IS MAKING ALL THE **MONEY** OUT OF FLUORIDE USE?  
(Following the money trail usually reveals the villains. Drug, Toothpaste, & Fertilizer Co's?)
- WILL** IT BE **STOPPED** OR ALLOWED TO CONTINUE, AT OUR EXPENSE?

**UNFORTUNATELY, SOME GOVT MINISTERS (WHOM WE TRUSTED) BELIEVE IN PUTTING **TOXIC FLUORIDE** INTO YOUR WATER SUPPLY – WITH LITTLE RESPONSE FROM OUR **NAIVE PUBLIC** – **SO FAR.****

**WE WILL GAIN FAR MORE BY BANNING TOXIC 'FLUORIDE' TOTALLY;**

- LESS PEOPLE SUFFERING **BRAIN AND MENTAL** PROBLEMS.
- LESS PEOPLE SUFFERING **JOINTS AND BONE** PROBLEMS.
- LESS PEOPLE SUFFERING **THYROID AND ENERGY** PROBLEMS.

**WE WOULD ALSO GAIN;**

- *REDUCTION* IN DOCTORS OR SPECIALIST VISITS .
- *REDUCTION* IN EXPENSIVE AND ALL MEDICATIONS.
- *REDUCTION* IN MEDICAL AND SURGICAL OPERATIONS.
- *REDUCTION* IN THOSE REQUIRING EARLY MEDICAL AND MENTAL CARE.
- *REDUCTION* IN PAIN AND SUFFERING FOR EVERYONE INCLUDING CARERS.

**OVERALL, WE CAN HAVE A MUCH BETTER LIFE - (AND ALL SAVE HEAPS OF MONEY!)**

## 'Toxicity and Deficiency Are Core Problems'

According to the **AAAS** (American Association for the Advancement of Science), preventable chronic diseases are now the world's biggest killers.

The combination of eating nutrient-deficient foods and being over-exposed to toxins is at the **core** of our current **health** crisis.

The answer to this dilemma is certainly not to take **medication** to mask the symptoms of **toxicity** and deficiency. The solution is to remove toxins, clean up our systems, and **increase** eating of the nutrient density of our natural food.

## BRIEF SUMMARY OF FACTS:

1. **FLUORIDE** IS A PROVEN MAN-MADE TOXIC CHEMICAL AND IS A HEALTH HAZARD.
2. **FLUORIDE** WAS INTRODUCED TO SOLVE A BUSINESS PROBLEM, NOT A DENTAL ONE.
3. **FLUORIDE** HAS SLOW EFFECT ON ALL BODILY ORGANS IF INGESTED – NOT ONLY TEETH.
4. **FLUORIDE** EXPOSURE OR INTAKE BY WATER TO EACH HUMAN CAN'T BE CONTROLLED.
5. **FLUORIDE** IS A PROVEN NEUROTOXIN AND EFFECTS YOUNG BRAINS IN PARTICULAR.
6. **FLUORIDE** CREATES MORE PROBLEMS THAN IT SOLVES – AS ALSO PROVEN OVERSEAS.
7. **FLUORIDE** HAS BEEN REJECTED OR BANNED BY SOME 95% OF WORLD COUNTRIES.
8. **FLUORIDE** DOES HAVE LINKS TO CANCERS AND REDUCES PATIENTS RECOVERIES.
9. **FLUORIDE** 'ENFORCING' CONTRAVENES **HUMAN RIGHTS** AND **UNESCO** AGREEMENT.
10. **FLUORIDE** DOES HAVE NON-TOXIC AND BETTER 'ALTERNATIVES', AVAILABLE IN NZ.  
(See the separate 'Better Alternatives' presentation.)

# THE WORLD HEALTH ORGANISATION (W.H.O.)

HAS JUST ISSUED A 'BOMBSHELL' 2017 REPORT.

DR MARK STENGLER, A PROMINENT PHYSICIAN IN USA  
ADVISES THE REPORT SAYS;

'SCIENTISTS FROM **W.H.O.** HAVE IDENTIFIED 4  
COMMON HOUSEHOLD SUBSTANCES THEY CALL  
'**ENDOCRINE DISRUPTORS**' AND THESE UNNATURAL  
CHEMICALS WRECK YOUR ENDOCRINE SYSTEM  
ESPECIALLY YOUR THYROID. AND THE **WORST**  
OFFENDING CHEMICAL IS -  
THE **FLUORIDE** IN OUR DRINKING WATER.'

IT IS SO LOGICAL - WE MUST GET THIS  
FRAUDULENT ACTIVITY **STOPPED**.

THAT **IS** SO EASY AND BENEFICIAL TO DO.

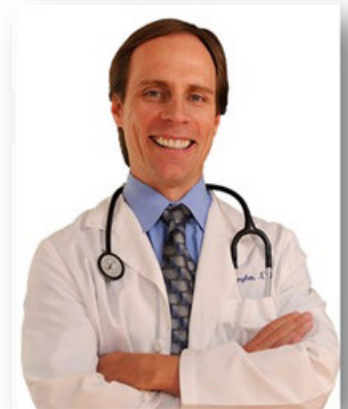

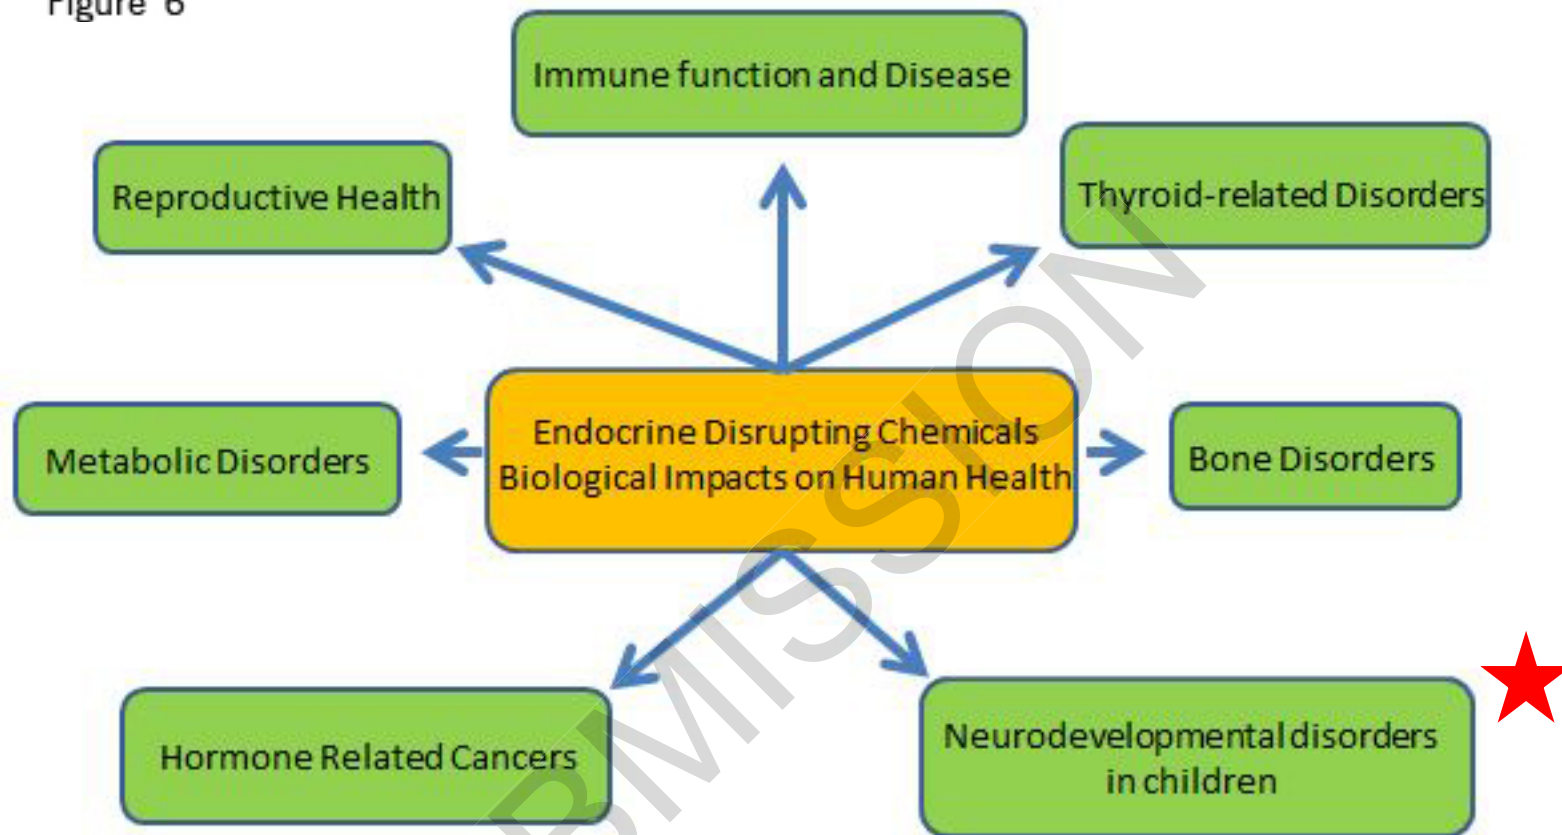

Figure 6

Source: State of the Science of Endocrine Disrupting Chemicals—2012  
Inter-Organization Programme for the Sound Management of Chemicals

**REALIZE - FLUORIDE IS AN ENDOCRINE DISRUPTOR.**

**IT'S DAMAGE EXCEEDS ANY BENEFITS**

**(THAT'S JUST ANOTHER GOOD REASON **WHY** SO MANY COUNTRIES **HAVE STOPPED OR BANNED** FLUORIDE. )**

## FLUORIDE NOTICE

Mackay Regional Council advises that a decision has been made regarding the ongoing fluoridation of drinking water at the Nebo Road Water Treatment Plant, Marwood Boroos, Sarina Water Treatment Plant and Marian Water Treatment Plant servicing the communities of Mackay, Walkerston, Marian, Mirani, Seaforth, Ball Bay, Farleigh, Sarina, Sarina Beach, Armstrong Beach, Grasstree Beach and Hay Point.

Council decided on September 28, 2016 that the continuation of water fluoridation is not in the best interests of the Mackay, Mirani, Marian and Sarina communities. As a result, fluoridation of the relevant supplies will cease from Monday, November 7, 2016.

Enquiries regarding this decision can be made by contacting the Client Service Centre on 1300 MACKAY (622 529).

Craig Doyle  
Chief Executive Officer  
Mackay Regional Council  
PO BOX 41 | Mackay QLD 4740

# FLUORIDATION CEASED 7<sup>th</sup> NOVEMBER 2016

in

**Mackay, Walkerston, Marian,  
Mirani, Seaforth, Ball Bay,  
Farleigh, Sarina, Sarina Beach,  
Armstrong Beach, Grasstree  
Beach, and Hay Point**

**IT'S EASY TO STOP – EVEN AUSTRALIANS CAN DO IT! THEY CARE.**

**SOME OFFICIALS WILL FIND IT DIFFICULT TO ACCEPT  
ANY NEW INFORMATION BUT IT IS **VITALLY** IMPORTANT TO  
**BAN FLUORIDE** (AS **95%** OF WORLD **COUNTRIES** **ALREADY** **HAVE**)  
AND TO LEAD A **NEW** WAY TO BETTER **OVERALL** HEALTH IN NZ.**

Thank you for watching and for any help to **rectify** this **toxic** problem.

ALL **HELL** MAY BREAK LOOSE SOON BUT, **WE** AND ALL FAMILIES **NEED** **ACTION** TO **SURVIVE!**

**JUST  
A THOUGHT ON  
THE PAST AND THE FUTURE**

**IN TOTAL CONTRAST**

- On August 20 **1940** in the House of Commons, Winston Churchill spoke of the **RAF** – (Royal Air Force) after their 'Battle of Britain'.  
“ Never in the field of human conflict was so much **owed** by so many to so few.”

**WILL IT BE**

- In August **2020** in the House of Parliament NZ, the Prime Minister speaks of the **RAF** – (**R**evolt **A**gainst **F**luorides) after the **TRUTH** is **exposed**.  
“ Never in the field of human health has so much **damage** been done to so many by so few.”

**WE CAN MAKE CHILDREN'S FUTURE BETTER!!!!**

# HYDROSILICOFLUORIC ACID SAFETY CARD (NZ ADDED WATER FLUORIDE)

NIOSH International Chemical Safety Cards (ICSC)

## FLUOROSILICIC ACID
