

Proactive Release

Submissions on the Child and Youth Wellbeing Strategy

August 2019

The Department of the Prime Minister and Cabinet has released the following submission received during its public consultation on the child and youth wellbeing strategy.

Some of the information contained within this release is considered to not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act).

- Where this is the case, the information has been withheld, and the relevant section of the Act that would apply, has been identified.
- Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it.

Key to redaction codes and their reference to sections of the Act:

- **9(2)a** – Section 9(2)(a): to protect the privacy of natural persons, including deceased people.

Subject: child well-being strategy

Hello

I am giving formal feedback on the proposed child well-being strategy through the Nurse Practitioners for children and young people group in Auckland.

However I want to highlight to the group working on the strategy these articles that were written for NZ Doctor magazine in 2014 and 2015.
Thanks

Noho ora mai
