Child and Youth Wellbeing Strategy – Submission Template

This template is intended for our branches who wish to make a submission on the child and youth wellbeing strategy. The template is to enable Te Ropu Wahine Maori Toko i Te Ora to collect and collate the information.

We are keen for our branches to comment on the major priorities in their communities for improving child and youth wellbeing, and what the specific activities might be required. The information you provide will be consolidated in our overall submission which will help inform the initial Child and Youth Wellbeing Strategy.

Please complete this template and email it back to your Area Representative by **Friday 23rd November** so that we can collate all feedback to meet the closing submission date. You can go to this website <https://dpmc.govt.nz/our-programmes/child-and-youth-wellbeing-strategy/make-formal-submission> which will provide you with information about Strategy.
